In case, the company is unable to pay the dividend to any shareholder by the electronic mode, due to non-availability of the details of the bank account, the company shall dispatch the dividend warrant/cheque to such shareholder by post.
18. Pursuant to the MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in dispatching of the physical copies of the Notice of the 33rd AGM and the Annual Report of the Company for the financial year ended 31st March, 2022 including therein the Audited Financial Statements for the year 2021-2022, the afore-mentioned documents are being sent only by email to the members. Therefore, Members whose email addresses are not registered with the Company or with their Registrar and Share Transfer Agent (RTA) or with their respective Depository Participant/s (DPs), and who wish to receive the Notice of the 33rd AGM of the Company along with the Annual Report for the 2021-2022 and all other communications from time to time, can get their email addresses registered by following the steps as mentioned herein below:-

- A. For Members holding shares in physical form, please send a scanned copy of the signed request letter mentioning your Folio Number, complete address, email address to be registered along with scanned self-attested copy of the PAN and any document (such as Driving License, Passport, Bank Statement, AADHAR) supporting the registered address of the Member, by email to the RTA's email address info@rdinfotech.net
 - B. For the Members holding shares in demat form, please update your email address through your respective Depository Participant(s).
19. The Notice of 33rd Annual General Meeting, Standalone & Consolidated Audited financial statements, Directors' report, Auditors' report, etc. will also be displayed on the website of the Company www.niccoparks.com. The Notice can also be accessed from the websites of the Stock Exchanges, namely, BSE LIMITED (BSE) at www.bseindia.com and Calcutta Stock Exchange (CSE) at www.cse-india.com respectively and the 33rd AGM Notice is also on the website of NSDL (Agency for providing the Remote e-Voting facility) at www.evoting.nsdl.com. Taking into account the COVID-19 scenario, it is encouraged by the Company for its Members to view the Full version of the AGM Notice along with the Annual Report of the Company for the Financial Year 2021-22 in electronic mode from the website of the Company, viz., www.niccoparks.com. The aforesaid documents will also be available in the "Corporate" segment in the website of the Company at www.niccoparks.com.
 20. Members holding shares in electronic mode are requested to ensure to keep their email addresses updated with the Depository Participants. Members who have not registered their email id with their Depository Participants are requested to do so and support the green initiative. Members holding shares in physical mode are also requested to update their email addresses by writing to the Registrar and Transfer Agent of the Company – R&D Infotech Pvt. Ltd., 15/C, Naresh Mitra Sarani formerly Beltala Road, Kolkata - 700 026, quoting their folio number(s).
 21. At the 30th AGM of the company M/s. Lodha & Co., Chartered Accountants had been appointed as the Statutory Auditors of the Company for a period of 5 years upto the conclusion of the 35th Annual General Meeting. The requirement to place the matter relating to the appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of Statutory Auditors at the 33rd AGM.
 22. Electronic copies of all the documents referred to in the accompanying Notice of the 33rd AGM of the Company and the Explanatory Statement shall be available in the "Corporate" section of the website of the Company at www.niccoparks.com.
 23. Pursuant to Regulation 40 of the Listing Regulations, the securities of listed companies can be transferred only in the dematerialized mode w.e.f. April 1, 2019. In this regard, SEBI

has clarified by a Press Release No. 12/2019 dated March 27, 2019, that the said amendments do not prohibit an investor from holding the shares in physical mode and the investor has the option of holding shares in physical mode even after April 1, 2019. However, any investor who is desirous of transferring shares (which are held in physical mode) after April 1, 2019 can do so only after the shares are dematerialized.

24. Since the AGM will be held through VC / OAVM facility, the Route Map is not annexed to this Notice.

25. VOTING THROUGH ELECTRONIC MEANS

Pursuant to the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 in relation to e-Voting Facility provided by Listed Entities and the revised Secretarial Standard on General Meetings (SS- 2 issued by The Institute of Company Secretaries of India, read with the Circulars issued by the Ministry of Corporate Affairs dated April 8, 2020, April 13, 2020, June 15, 2020, September 28, 2020, December 31, 2020, June 23, 2021, December 8, 2021, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021 and May 5, 2022 respectively, the Company is pleased to provide its members the facility to exercise their right to vote on resolutions proposed to be considered at the 33rd Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM (“remote e-voting”) will be provided by National Securities Depository Limited (NSDL).

I. The remote e-voting period commences on Sunday, the 25th day of September, 2022 from 9:00 am and ends on Tuesday, the 27th day of September, 2022 at 5:00 pm. State of Company Affairs as on March 31, 2022

During the year under review your park remained closed due to the second wave of Covid-19 infections, from April 28, 2021 to August 17, 2021 and thereafter due to third wave of infections from January 3, 2022 to January 31, 2022. In spite of closure of park operations for almost five months during the year your company has posted a Profit (before Interest, Depreciation & Taxes) of Rs. 809 lakhs during the financial year ended March 31, 2022.

During the operational period from August 18, 2021 to January 2, 2022 and February 1, 2022 to March 31, 2022, the park received 2.98 lakh visitors. The footfall at the water park was 1.77 Lakhs visitors, during the same period.

During the year under review the Total Income was Rs. 3361 lakhs (Previous Year-Rs. 1904 lakhs). Cumulative income from Main Park and Water Park taken together was Rs. 2348 lakhs (Previous Year-Rs. 1366 lakhs), Income from Food & Beverages and Other Recreational facilities- Rs. 701 lakh (Previous Year-Rs. 299 lakhs). Income from projects were Rs. 86 lakhs (Previous Year-Rs. 72 lakhs). Other unallocable income- Rs. 226 lakhs (Previous Year Rs. 167 lakhs).

The Standalone Profit (after tax) for the year was Rs. 412 lakhs. (Previous year- Standalone Loss Rs. 437 lakhs). The Consolidated Profit (after tax) for the year was Rs. 487 lakhs (Previous year- Consolidated Loss Rs. 352 lakhs). During the year under review your company has not added any new rides and attractions.

Due to partial closure of the park operations during the year, the Company irretrievably lost the footfalls, impacting the revenue of the Company. However, owing to the relaxation of Covid restrictions and due to the huge pent up demand for leisure activities, your company was able to generate profit during the financial year 2021-2022. The employees at all levels and Directors took substantial pay cuts during the months that the park remained closed, despite park not being operational and resulting in a year of low revenue, we paid salaries/wages, although at reduced rates, to our on-roll and contractual staff.

During the amusement park closure period, we regularly engaged with our visitors through social media channels. We have strengthened our promotional strategies, which have transformed over the last year. We are now relying more on digital interventions and strengthening our social media presence.

The first, second & third quarters were muted due to the deadly second & third wave of the pandemic. For the first time in two years, your park experienced growth during the fourth quarter of the year under review. Increased economic activity, pent-up demand for leisure & entertainment activities and a rebound in domestic tourism provided stimulus to the sector, aided by improved consumer sentiment.

During the year under review, there was no change in the nature of the business of the Company.

Dividend & Transfer to Reserves

Owing to closure of the park operations and allied activities for almost five months in the financial year and to conserve funds for future uncertainties the Board did not recommend any dividend for FY 2021-22 (Previous Year no dividend was recommended due to loss). No amount was transferred to Reserves.

Consolidation of Financial Statements

In addition to the Standalone Financial Statements, we have in accordance with Section 129(3) of the Companies Act 2013 read with rule (5) of companies Accounts, Rules, 2014 and IND-AS prepared Consolidated Financial Statements, for all its associates namely Nicco Jubilee Park Limited, Nicco Parks Leisure Projects Private Limited & Nicco Engineering Services Limited, which form part of this Annual Report. A separate statement in the Form AOC-1, containing the salient features of the financial statements of such Associate Companies prepared pursuant to Rule 5 of the Companies (Accounts) Rules, 2014, forms part of the Financial Statement.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Industry Structure and Development

Preamble

The global health crisis that started in 2020 impacted businesses of all sizes and in all industries. Although some industries have shown a certain level of resilience or even found a new operating niche, most small and medium-sized entrepreneurs in the services industry found themselves in “new normal” operating environments. In order to slow down spread of the pandemic, several countries had suspended business activities, and had adopted social distancing in order to reduce human-to-human transmission of COVID-19. This has led to lockdowns, reductions in consumption, the closure of communities, and the elimination of businesses. Numerous economic experts see this pandemic as a metaphorical “black swan” event, “that is, a surprising, unpredictable event of great significance and severe consequences that dramatically changes the political and economic environment that may cause business failures.

Global entertainment companies such as Walt Disney suffered massive losses, which forced several companies to furlough employees and executives in the battle for survival and to protect capital. The pandemic disrupted both the demand side and the supply side of business. The global tourism industry has suffered a contraction of over 80% of businesses since the COVID-19 pandemic surfaced (UNWTO, 2020). Epidemiologists and medical experts believe that the COVID-19 could become a persistent global pandemic. Pandemic regulations and control measures, such as maintaining social distance and restricting people’s gatherings, have severely affected tourism sectors, such as airlines, hotels, theme parks, and attractions. Among them, theme parks and attractions, before COVID-19, have substantially contributed to tourism economies. They provide core entertainment activities, such as themed facilities, rides, and various supplementary services (e.g., food and beverages, shopping, and other services), thereby creating novel and pleasurable experiences for tourists and visitors.

Global Scenario

The global economy resumed its path of recovery even with the resurgence of new variants of the COVID-19 pandemic. After initial nationwide lockdowns deployed during the first wave, fewer nations resorted to zero-tolerance policies to control the virus. On the contrary, governments encouraged COVID-19 appropriate behaviour, improvements in healthcare infrastructure, increased coverage of testing and wide vaccination drives while resorting to localised containment measures to control subsequent waves. Following a contraction of 3.1% in the calendar year 2020, global growth is estimated at 6.1% in 2021. Growth estimates for 2021 of advanced economies is 5.2% while that of emerging markets and developing economies are pegged at 6.8%. (Source: International Monetary Fund (IMF) - World Economic Outlook - October 2021 and April 2022).

As per the Global Amusement Park Market Report 2021, the global theme park market is projected to grow moderately during the period of 2021-2025. The global theme park market is expected to increase due to improved earning capacity, growing young population, growth in leisure tourism, larger number of attractions, increase in re-investment, rising demand of experience economy, and developing intellectual property experiences. Yet, the market faces some challenges like weather conditions, stringent regulations, and higher cost of maintaining theme parks.

The market for amusement parks reached a value of nearly \$51,674.3 million in 2020, having grown at compound annual growth rate (CAGR) of -0.3% since 2015 and is expected to grow at a compound annual growth rate (CAGR) of 11.5% to reach nearly \$89,174.7 million by 2025.

Growth factors in the historic period include improved earning capacity, growth of the experience economy, increase in reinvesting, and travel and tourism. Factors that negatively affected growth in the historic period are harsh weather conditions, political instability, COVID impact, and increased input costs and decline in margins.

Going forward, economic growth in developed nations and increase in use of social media will drive growth. Factors that could hinder the growth of this market in future are demographic changes, threat from home entertainment, and experience fatigue felt by visitors.

The market can be segmented by type into theme parks, water parks, and family entertainment centers. Theme park segment accounted for the largest share of the amusement parks market in 2020 at 82.7%. Going forward, theme park segment is expected to be the fastest growing segment in the amusement parks market at a CAGR of 7.5% during 2020-2025.

North America region is the largest market for amusement parks companies, accounting for 33.2% of the global market in 2020. It was followed by Asia-Pacific, Western Europe, and other regions. Going forward, South America and Middle East will be the fastest growing markets in the amusement parks market, where growth will be at a CAGR of 16.1% and 15.2% respectively during 2020-2025. This is followed by the Africa and Eastern Europe, where the market is expected to grow at a CAGR of 14.4% and 13.2% respectively during 2020-2025.

The amusement park market is highly concentrated with a small number of large players dominating the market. The top ten competitors in the market made up to 55.65% of the total market in 2019. The key players in the market includes The Walt Disney Company (Walt Disney Parks and Resorts), Comcast Corporation (Universal Parks and Resorts), Oriental Land Company Ltd., Merlin Entertainment Group, and Cedar Fair Entertainment Company.

Domestic Scenario

The International Monetary Fund (IMF) has projected a growth rate of 8.2 per cent for India in 2022, making it the fastest-growing major economy globally. Compared to other major economies of the world, the projected growth rate is far better than its estimates for other major economies like the US, China, and Japan.

The Indian economy has fully recovered to the pre-pandemic real GDP level of 2019-20, according to the provisional estimates of GDP. Real GDP growth in FY 2021-22 stands at 8.7%, which is 1.5% higher than the real GDP in FY 2019-20. India's economy is expected to grow by 7.1%–7.6% in FY22–23 and 6%–6.7% in FY23–24. This will ensure that India reigns as the world's fastest-growing economy over the next few years, driving world growth even as several major economies brace themselves for a slowdown or possibly a recession.

The Tourism and Hospitality industry is one of the largest service industries in India. For the past decade, the tourism sector accounted for about 7% of India's GDP. In FY 2020, the industry accounted for 39 million jobs, which is projected to increase to 53 million jobs by 2027. FY 2021-22 has been a year of strong recovery in the Tourism and Hospitality industry. While the earlier part of Q4 started to witness an impact due to the Omicron wave, the quarter was the best performing period of the year bolstered by long weekends, festivals and social gatherings. While travel restrictions continued for most part of the year subduing international travel, demand was largely from pent-up domestic leisure travel, extended stays, social events and a partial resumption of business travel in the country. There is significant pent-up demand for Tourism and Hospitality industry in the domestic market due to restrictions imposed over the last two years caused by the pandemic. Also, the diversion of outbound leisure travel to domestic tourism has been positive for the Indian hospitality sector. Therefore, domestic tourism is expected to recover faster than international travel.

During Q4 of FY2022, the amusement parks industry witnessed pent-up demand and overwhelming customer response, leading to increased footfalls. Parks are showing encouraging signs of recovery as the economy gradually returns to earlier levels, helping companies and consumers recover from the covid period losses. Top market players are roaring back to life, experiencing revenues that are beginning to match pre-covid levels.

INDUSTRY TRENDS POST PANDEMIC

- The increased emphasis on digital channels to establish a distinct online presence is extremely beneficial to business. The epidemic has driven customers to use digital booking mediums after carefully reading online reviews, which eventually influence their booking decision.
- The growing middle class, rising levels of their disposable income, increasing interest among millennials to travel to day destinations for leisure & entertainment are a few major reasons that are making the industry more profitable.
- In the aftermath of the epidemic, visitors' top priorities are sanitation, safety, and contactless services. As a response, the industry is embracing technology at a rapid speed in order to keep up with visitors changing expectations

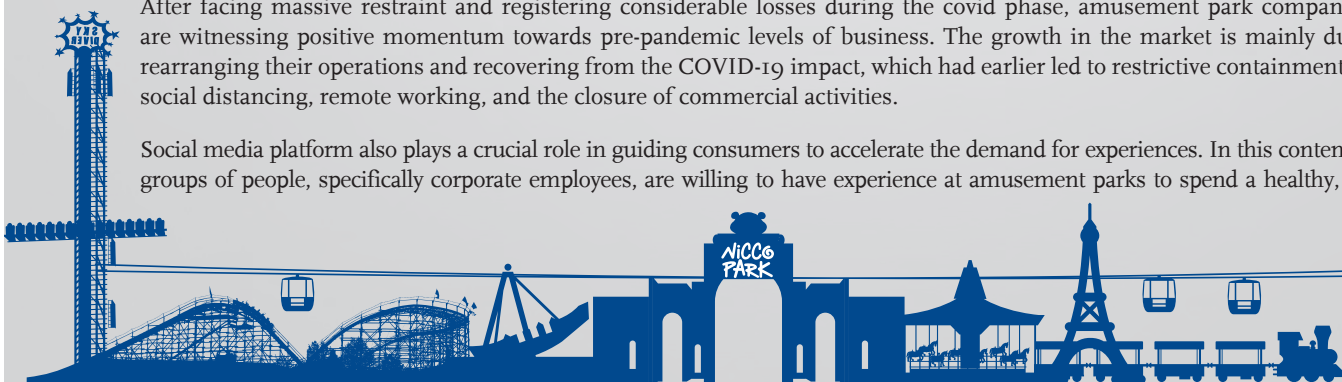

Future & Recovery

The global amusement parks market reached a value of US\$ 54.7 Billion in 2020. Looking forward, the market is expected to grow at a CAGR of 5.4% during 2021-2026.

Subsequent waves of the COVID-19 virus have resulted in a quicker 'V-shaped' recovery of economic activity and mobility with comparatively lower disruption in livelihoods. This was also strengthened by higher vaccinated population, low fatality-quick recovery rate of the Omicron variant and better healthcare preparedness in the country. These factors have resulted in higher consumer confidence which is expected to improve the prospects for leisure & entertainment.

After facing massive restraint and registering considerable losses during the covid phase, amusement park companies across the globe are witnessing positive momentum towards pre-pandemic levels of business. The growth in the market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities.

Social media platform also plays a crucial role in guiding consumers to accelerate the demand for experiences. In this contemporary world, all age groups of people, specifically corporate employees, are willing to have experience at amusement parks to spend a healthy, family-friendly time.

Changing lifestyle, cultural shift and increasing prominence to lead a holistic life with a balance of work and leisure is contributing to the expansion of amusement park market revenue. Apart from the main sources of income, the sale of merchandise and food & beverages through retail outlets and restaurants located inside the park are anticipated to be additional vital sources of ancillary revenue for amusement parks.

B. Opportunities and Threats

Opportunity

- Eastern India has experienced growth in leisure and entertainment business in recent years.
- Gradual shift of center of gravity of the city to Salt Lake due to development of large townships, Govt. offices and Information Technology industry in and around this place.
- Opportunity for expansion through consultancy, contracts, supply of rides and through Joint Venture in other parts of India and abroad.
- Export potential for Company's international standard quality products at competitive prices.
- "Brand equity" of the Company is perceivably high.
- With the passage of time entertainment is becoming a way of life

Threats

- Development of similar large parks in the city eg. Eco Park.
- Increase in operational cost due to change in Statutory Govt. policies including rates, taxes, etc.
- Park business is seasonal.
- Park business is susceptible to unforeseen weather conditions.
- Alternative indoor entertainment options like Multiplexes, Malls, national/international sporting events on public holidays/weekends.
- Long-term impact of the COVID-19 pandemic & similar outbreak of virus in future

C. Segment-wise Performance

a. Park Operation

The revenue and profitability of the Company was affected due to the outbreak of second and third waves of the Covid-19 pandemic during the Year under review. The lockdown imposed by Central and State Governments as well as other countries globally and consequent travel restrictions to avoid the spread of the Covid-19 pandemic severely impacted the business. The total revenue earned during the year was mainly from the pent up demand during the fourth quarter. With India's very successful vaccination drive that resulted in Covid-19 infection declining, the marketing and sales initiative taken by the company to boost footfalls resulted in strong improvement in Financial Year 2021-22 compared with the preceding Financial Year.

During the operational period from August 18, 2021 to January 2, 2022 and February 1, 2022 to March 31, 2022, the park received 2.98 lakh visitors. The footfall at the water park was 1.77 Lakhs visitors, during the same period.

During the year under review the Total Income was Rs. 3361 lakhs (Previous Year-Rs. 1904 lakhs). Cumulative income from Main Park and Water Park taken together was Rs. 2348 lakhs (Previous Year-Rs. 1366 lakhs), Income from Food & Beverages and Other Recreational facilities- Rs. 701 lakh (Previous Year-Rs. 299 lakhs). Income from projects were Rs. 86 lakhs (Previous Year-Rs. 72 lakhs). Other unallocable income- Rs. 226 lakhs (Previous Year Rs. 167 lakhs).

The Standalone Profit (after tax) for the year was Rs. 412 lakhs. (Previous year- Standalone Loss Rs. 437 lakhs). The Consolidated Profit (after tax) for the year was Rs. 487 lakhs (Previous year- Consolidated Loss Rs. 352 lakhs).

b. Consultancy, Contract and Sale of Ride Components

With the easing of restrictions of movement of personnel & goods, your company is hopeful to generate enquiries for setting up parks/rides/facilities from prospective customers.

c. Others

Owing to the lockdown and subsequent restrictions on mass gatherings with capacity limitations, the business at Nicco Super Bowl & Other Recreational areas was significantly affected. In addition, there were several cancellation of event bookings & refunds.

During the year under review the Income from Food & Beverages and Other Recreational facilities was Rs.701 lakh.

D. Outlook

The Government of India's focus continues to remain on normalising economic operations, as well as the rapid rollout of vaccination. Domestic consumption growth is expected to pick up after Q3 of CY 2022, given around 80% of population will be fully vaccinated by then. This could help boost private consumption, which is anticipated to rise by more than 10% this year. Investment rebounded substantially in 2021, increasing by more than 16%, and is predicted to rise by another 7% in 2022. Broad vaccine coverage including roll out of booster doses, gains from supply-side reforms, regulatory ease, strong exports growth, improvement in rail and road infrastructure and the availability of fiscal space to ramp up capital spending will aid in GDP growth.

The leisure & entertainment industry was at the frontline of impact during the Covid-19 years. However, it has been able to demonstrate remarkable resilience to bounce back from this period of unprecedented disruption. This recovery was aided by largescale vaccination initiatives and corresponding easing of travel restrictions. This resulted in significant demand for domestic leisure tourism.

During the last quarter of FY2022, we witnessed pent-up demand and overwhelming customer response, leading to increased footfalls. Your park is showing encouraging signs of recovery due to the pent-up demand for our services and we are experiencing revenues that are beginning to match pre-covid levels and if the current trend continues, it is estimated that we will post substantially better results in the coming year.

E Risks and Concerns

The Audit Committee oversees the risk management functions of the Board and the Committee relies on reports placed before it to periodically assess risks while effectively executing business strategy and reviewing key leading indicators. It reviews with the management, the Company's risk appetite and strategy relating to key risks, as well as the guidelines, policies and processes for monitoring and mitigating such risks. The key areas of risks addressed are those relating to credit, liquidity and funding, market, services, reputation and all short and long-term outcomes that could significantly affect the operations of the Company.

"Visitors' safety" being of utmost concern, your Company continuously ensures high quality maintenance of all its rides and attractions. Apart from conducting daily inspection and ensuring the operational safety of the rides by in-house engineering team, periodic third party inspections are also conducted by renowned firms like TUV India Pvt. Ltd & SGS India Pvt. Ltd.

F. Internal Control Systems and their Adequacy

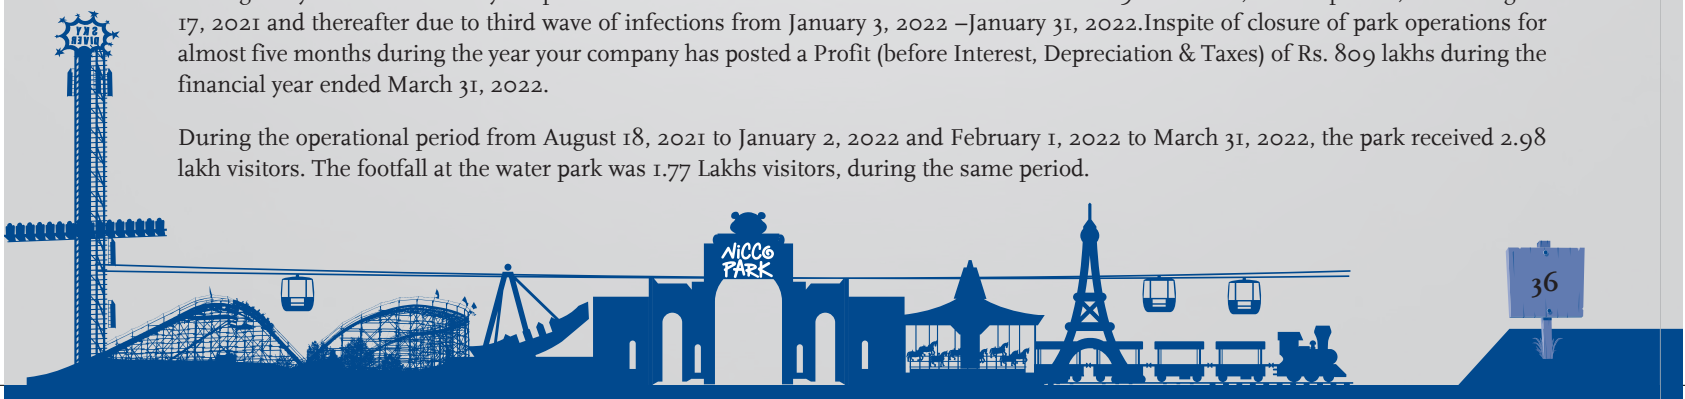

Your Company has adequate internal financial control systems in all areas of operation. The Board of Directors has adopted policies and procedures for ensuring the orderly and efficient conduct of business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, ensuring accuracy and completeness of the accounting records and timely preparation of reliable financial information. The services of internal and external auditors are utilised from time to time, in addition to the in-house expertise and resources. The Company continuously upgrades these systems in line with the best practices in the industry. Reports and deviations are regularly discussed with the Senior Management team and action is taken whenever necessary. An Independent Audit Committee of the Board reviews the adequacy of the internal financial control.

G. Financial & Operational Performance

During the year under review, the Company's performance was adversely affected by the COVID-19 pandemic which resulted in lower visitor level in FY 2021-22. The operating performance rebounded strongly in the second half of the fiscal year.

During the year under review your park remained closed due to the second wave of Covid-19 infections, from April 28, 2021–August 17, 2021 and thereafter due to third wave of infections from January 3, 2022 –January 31, 2022. In spite of closure of park operations for almost five months during the year your company has posted a Profit (before Interest, Depreciation & Taxes) of Rs. 809 lakhs during the financial year ended March 31, 2022.

During the operational period from August 18, 2021 to January 2, 2022 and February 1, 2022 to March 31, 2022, the park received 2.98 lakh visitors. The footfall at the water park was 1.77 Lakhs visitors, during the same period.

After a disrupted FY2021, the performance of FY2022 was much more satisfactory, and the uptrend is clearly visible across all the locations towards pre-Covid levels of operations and revenues. It is expected that the Company will reach or better the pre-pandemic levels in terms of Revenues and EBITDA.

H. Human Resources Management

The year gone by was marked by high disruption, with the second wave hitting us hard. However, with the knowledge and learning we gained from FY21, we were better equipped to face it. We continuously review and realign our people practices and policies to ensure that our policies not only support our teams but also act as a catalyst in achieving Organisational objectives.

Your Company understands the importance of having the right people with right skills, to deliver the strong and exceptional service and also requisite expertise, which is the basis of our relationships with our visitors.

Employee – Management relations remained cordial through 2021-22. As on 31st March, 2022 number of people employed by the Company was 220. The IR situation continues to be peaceful.

v. Share Transfer System

Shareholders holding shares in physical form are requested to correspond with the Company's Registrar and Transfer Agent ("RTA") – M/s R & D Infotech Pvt. Ltd. quoting their Folio No. / DP ID & Client ID at their aforesaid address.

The process of physical transfer of shares had been discontinued by SEBI vide its Press Release No. 51/2018 dated 3rd December, 2018, hence the RTA has not effected any physical transfer of shares post 1st April, 2019. Shareholders holding shares in electronic form should address their correspondence, except those relating to dividend, to their respective Depository Participants ("DPs").

As per the requirement of Regulation 40(9) of SEBI (Listing Obligations and Disclosure Requirements), the company has obtained the yearly certificates from the Company secretary in practice for due compliance of share transfer formalities, which, is then submitted to the Stock Exchanges within a period of 30 days from the end of the year.

vi. Transfer of Unclaimed Dividend and Shares to the Investor Education and Protection Fund ('IEPF')

Pursuant to the provisions of the Companies Act, 2013 read with The Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, ('Rules'), the dividends, unclaimed for a consecutive period of seven years or more from the date of transfer to the Unpaid Dividend Account of the Company are liable to be transferred to IEPF. Further, the shares (excluding the disputed cases having specific orders of the Court, Tribunal or any Statutory Authority restraining such transfer) pertaining to which dividend remains unclaimed for a period of continuous seven years or more from the date of transfer of the dividend to the unpaid dividend account are also mandatorily required to be transferred to the IEPF established by the Central Government. Accordingly, the Company has transferred eligible Shares to IEPF Demat Account maintained by the IEPF authority.

Your Company has already transferred equity shares relating to Financial Years 2008-09, 2009-10, 2010-11, 2011-12, 2012-13 and 2013-14 to IEPF and letters intimating due date of proposed transfer of shares to IEPF will be sent to all the Shareholders whose shares are about to be transferred relating to F.Y.2014-15. Details of shares/shareholders in respect of which dividend has not been claimed, are provided on our website and enlisted under the heading IEPF at link <https://niccoparks.com/corporates/IEPF>, the shareholders are therefore encouraged to verify their records and claim their dividends of all the earlier seven years, if not claimed.

The Company has sent individual communication to the concerned shareholders at their registered address, whose dividend remained unclaimed and whose shares were liable to be transferred to the IEPF by respective due dates for transfer of shares to IEPF. The communication was also published in national English and local Bengali newspapers. Any person whose unclaimed dividend and shares pertaining thereto, has been transferred to the IEPF Fund can claim their due amount from the IEPF Authority by making an electronic application in e-form IEPF-5. Upon submitting a duly completed form, Shareholders are required to take a print of the same and send physical copy duly signed alongwith requisite documents as specified in the form to the attention of the Nodal Officer, at the Registered Office of the Company. The e-form can be downloaded from the website of Ministry of Corporate Affairs www.iepf.gov.in.

Mr. Rahul Mitra, President- Company Secretary & Compliance Officer is the designated nodal officer of the Company. Mr. Ankit Kumar Bhardwaj, Assistant Manager is the designated deputy nodal officer of the company.

vii. Nomination Facility

If any shareholder holding shares in physical form, wishes to appoint or change nominee for their shareholding(s) in the Company, he/she may submit Form SH-13/ SH-14 respectively to the Company's Registrar and Transfer Agent ("RTA"), i.e. R & D Infotech Pvt. Ltd, as required under Section 72 of the Companies Act, 2013.

Shareholders holding shares in electronic form should contact their respective Depository Participants ("DPs") to avail this facility.

viii. Designated E-mail Address for Investor Service

As required under Regulation 46 of the Listing Regulations, the designated e-mail address for investors services, i.e. niccopark@niccoparks.com, rahul@niccoparks.com, ankit@niccoparks.com is provided on the website of the Company to serve them better.

INDEPENDENT AUDITORS' REPORT

To the Members of
Nicco Parks & Resorts Limited

Report on the Audit of the Standalone Financial Statements

OPINION

We have audited the accompanying standalone financial statements of Nicco Parks & Resorts Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) notified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditors' Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

EMPHASIS OF MATTERS

Attention is drawn to Note 56 of the Standalone Financial Statement dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the Standalone Financial Statements as well as future performance of the company. Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended 31st March, 2022. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the key audit matters for incorporation in our report.

We have fulfilled the responsibilities described in the "Auditors' Responsibilities for the Audit of the Standalone Financial Statements" section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The result of our audit procedures, including the procedures performed to address the matters below, provide the basis for our opinion on the accompanying Standalone Financial Statements.

Sl. No.	Key Audit Matters	Addressing the Key Audit Matters
I	<p>Audit of Revenue Recognition</p> <p>The Company's operations involve significant amount of cash handling and related control and other risks in this respect.</p>	<p>Our audit procedures based on which we arrived at the conclusion regarding reasonableness of the recognition of revenue include the following:</p> <ul style="list-style-type: none"> • Understanding and testing the design and operating effectiveness of key controls as established by the management with respect to sale of tickets and recognition of revenue in this respect. • Understanding and testing the operating procedures, operating effectiveness of general IT controls and key system controls prevailing on the matter. • Comprehensive review of Internal controls, checks including Internal Audit coverage. • Performing substantive tests by selecting samples of revenue transactions recorded during the year. • Performing reconciliations of daily cash received against sale of ticket and revenue recognized during the year. • Review of Company's adequacy and effectiveness of various other policies, procedures regarding whistle blowing and reporting mechanism and consequential corrective actions implemented and followed by the management.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements, consolidated financial statements and our auditors' reports thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report with respect to the above.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards notified under section 133 of the Act read with relevant rules, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material

misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the relevant Rules as amended from time to time;

- e) On the basis of the written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to the Standalone Financial Statements of the Company.
3. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. Pending litigations (other than those already recognized in the accounts) having material impact on the financial position of the Company have been disclosed in the Standalone Financial Statements as required in terms of accounting standards and provisions of Companies Act, 2013 – refer note 44.1 of the Standalone Financial Statements.
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.
- iv. a. The management has represented that, to the best of its knowledge and belief as disclosed in note no. 55 to the Standalone Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b. The management has represented that, to the best of its knowledge and belief as disclosed in note no. 55 to the Standalone Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend and has also not proposed any dividend during the year and as such requirement for complying with the provisions of section 123 of the Act in this respect are not applicable to the Company.
4. With respect to the reporting under section 197(16) of the Act to be included in the Auditors’ Report, in our opinion and according to the information and explanations given to us, the remuneration (including sitting fees) paid by the Company to its Directors during the current financial year is in accordance with the provisions of section 197 of the Act and is not in excess of the limit laid down therein.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in point (f) of paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date) to the members of Nicco Park and Resorts Limited

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Standalone Financial Statements of Nicco Parks & Resorts Limited (“the Company”) as at 31st March, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE STANDALONE FINANCIAL STATEMENT

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

A company’s internal financial control with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to the Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Financial Statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS**

Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls with reference to the Standalone Financial Statements were operating effectively as at 31st March, 2022, based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

I. CORPORATE INFORMATION

Nicco Parks & Resorts Limited (“the Company”) is a listed entity incorporated in India in 1989 having its Registered Office at “Jheel Meel”, Sector V, Salt Lake City, Kolkata-700106. The Company is a leading and prominent wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme-based entertainment including theme park, water park and associated activities including retail merchandising and food & beverages.

2. BASIS OF ACCOUNTING

2.1. Statement of Compliance and Recent Pronouncements

2.1.1. Statement of Compliance

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the “Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) . The Ind ASs issued, notified and made effective till the financial statements are approved for issue by the Board of Directors have been considered in preparing these standalone financial statements.

2.1.2. Recent Pronouncements

2.1.2.1. Application of New and Revised Standards

The Ministry of Corporate Affairs (MCA) vide Notification dated 18th June 2021 has issued Companies (Indian Accounting Standard) Amendment Rules, 2021. The Company has applied the following standards and amendments for the first time during the year ended 31st March 2022. These amendments had no impact on the financial statements of the Company.

- a) The amendment under Ind AS 38 and Ind AS 37 clarifies that the definition of “asset” under Ind AS 38 and the definition of “liability” under Ind AS 37 are not revised following the revision of the definition of “asset” and “liability” in the Conceptual Framework respectively.
- b) Reference to the “Framework for Preparation and Presentation of Financial Statements” with Ind AS has been substituted with reference to the “Conceptual Framework” under Ind AS 1, Ind AS 8, and Ind AS 34.
- c) Certain amendments have been made under Ind AS 115 to maintain consistency with the number of paragraphs of IFRS 15.
- d) In the definition of “recoverable amount”, for the words “fair value less costs to sell”, the words “fair value less costs of disposal” have been substituted. The consequential amendments are made in Ind AS 105, Ind AS 16, and Ind AS 28.

2.1.2.2. Standards issued but not yet effective

The Ministry of Corporate Affairs (MCA) vide Notification dated 23rd March 2022 has issued Companies (Indian Accounting Standard) Amendment Rules, 2022. These amendments to the extent relevant to the Company’s operations include:

Amendment to Ind AS 16 which clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of the cost of an item of property, plant, and equipment.

Amendment to Ind AS 37 specifies that the “cost of fulfilling” a contract comprises the “costs that relate directly to the contract”. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour and materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant, and equipment used in fulfilling the contract).

Other amendments in various standards, including Ind AS 101, Ind AS 103, Ind AS 109 “Financial Instruments”, and Ind AS 41 “Agriculture”, have not been listed above since these are not relevant to the Company.

Even though the Company will evaluate the impact of the above, none of these amendments are vital in nature and are not likely to have a material impact on the Company’s financial statements.

2.2. Significant Accounting Policies

2.2.1. Basis of Preparation

The standalone financial statements have been prepared under the historical cost convention on accrual basis except certain

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

financial instruments that are measured in terms of relevant Ind AS at amortized costs or fair value and other relevant provisions of the Act (to the extent notified).

All the assets and liabilities (other than deferred tax assets or liabilities) have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and in Division II of Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets or liabilities (net) are considered as non-current.

The functional currency of the Company is determined as the currency of the primary economic environment in which it operates. The standalone financial statements are presented in Indian Rupees. All amounts disclosed in the standalone financial statement including notes thereon have been rounded off to the nearest two decimals of lakhs, unless otherwise stated.

2.2.2. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (a) **Level 1:** Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) **Level 2:** Inputs other than quoted prices included within level 1 that are observable, either directly or indirectly for the asset or liability.
- (c) **Level 3:** Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

2.2.3. Property, Plant and Equipment (PPE)

Property, plant and equipment held for use in the production or/ and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).

Cost of an item of PPE acquired comprises its purchase price (after deducting any trade discounts and rebates), including import duties and non-refundable purchase taxes, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on PPE arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of PPE is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of day-to-day servicing of PPE are recognized in the statement of profit & loss as and when incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, directly attributable borrowing costs and allocation of directly attributable overheads incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly are also added to the cost of self-constructed assets.

Capital work in progress includes cost of PPE under installation/ under development as at the balance sheet date. Advances paid towards the acquisition of PPE outstanding at each balance sheet date are classified as Capital Advances under other non-current assets.

2.2.3.1. Depreciation

Depreciation on PPE is provided under straight line method (except for vehicle where written down value method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is other than that under Schedule II.

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipment, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

The residual value of assets is not more than 5% of the original cost of the asset. Depreciation in respect of PPE added/ disposed off during the year is provided on pro-rata basis, with reference to the date of addition/ disposal.

The residual values, useful lives and methods of depreciation of PPE are reviewed at the end of each financial year wherever appropriate.

2.2.3.2. De-recognition of PPE

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

2.2.4. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

For this purpose, cost includes acquisition price, license fees (if any), non-refundable taxes and cost of implementation/ system integration services and any directly attributable expenses, where ever applicable for bringing the asset to its working condition for its intended use.

2.2.4.1. Amortization

Intangible assets being Computer Software are amortized on straight line basis over its estimated useful life of 5 years. The amortization expense is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Amortization methods and useful lives are reviewed, and adjusted as appropriate, at the end of each financial year.

2.2.4.2. De-recognition of Intangible assets

An item of Intangible Asset is de-recognized upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Intangible Asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

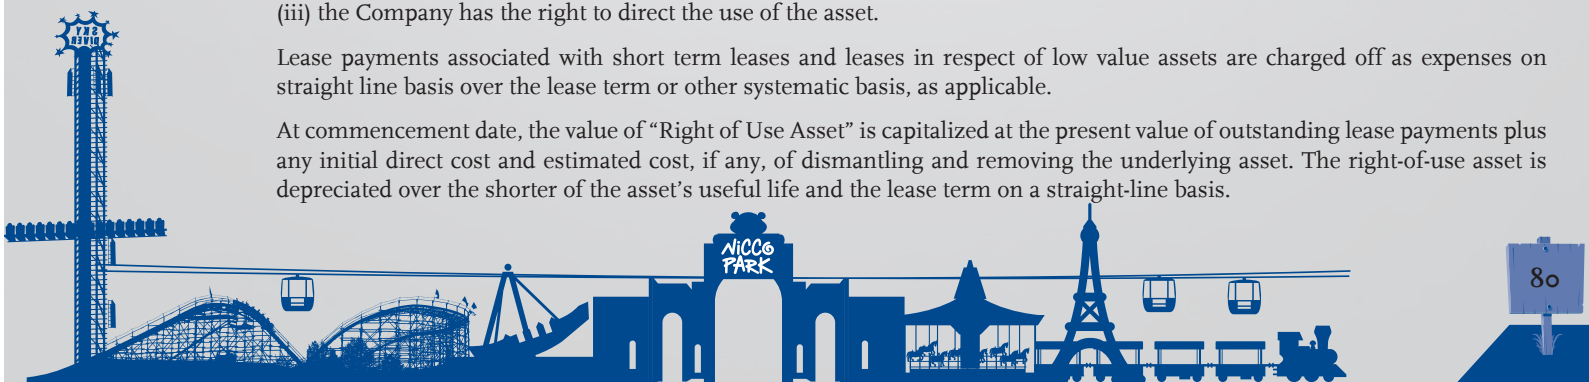

2.2.5. Leases

2.2.5.1. Company as a Lessee

The Company's lease asset classes primarily consist of land taken on lease for business operations. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

Lease payments associated with short term leases and leases in respect of low value assets are charged off as expenses on straight line basis over the lease term or other systematic basis, as applicable.

At commencement date, the value of "Right of Use Asset" is capitalized at the present value of outstanding lease payments plus any initial direct cost and estimated cost, if any, of dismantling and removing the underlying asset. The right-of-use asset is depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Subsequent measurement, if any, is made using cost model.

Each lease payment is allocated between the liability created and finance cost. The finance cost is charged to statement of profit & loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease modifications, if any are accounted as a separate lease if the recognition criteria specified in the standard are met.

2.2.5.2. Company as a Lessor

Assets given on lease are either classified as operating lease or as finance lease. A lease is classified as finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially, asset held under finance lease is recognised in Balance Sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease. The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis.

2.2.6. Impairment of Tangible and Intangible Assets

Tangible, Intangible and ROU Assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost to disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation/ amortization, had no impairment loss been recognized for the asset in prior years.

2.2.7. Financial instruments - Financial assets and Financial liabilities

Financial assets and financial liabilities (financial instruments) are recognized when the Company becomes a party to the contractual provisions of the instruments.

2.2.7.1. Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition except for the financial assets and liabilities measured at fair value through profit or loss, in which case the same is charged immediately in the statement of profit and loss.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

2.2.7.2. Subsequent Measurement

Equity investments in the scope of "Ind AS 109" are measured at fair value except for investment in Associates which are carried at cost.

The Company makes an election to present changes in fair value either through other comprehensive income (OCI) or through profit or loss on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends are recognized in OCI. Profit or loss arising on sale thereof is also taken to OCI and the amount accumulated in this respect is transferred within the Equity.

The Company has elected to present the fair value changes for investment in other equity instruments in Other Comprehensive Income.

- Financial Assets and Financial Liabilities measured at amortised cost

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

Financial assets held with a business objective to hold them to collect contractual cash flows through the contractual terms of the financial asset on specified dates that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The financial assets and financial liabilities are subsequently measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the financial asset or liability to the gross carrying amount of the financial asset or to the amortized cost of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

- Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held with a business objective of both collecting contractual cash flows through the contractual terms of the financial asset on specified dates that are solely payments of principal and interest on the principal amount outstanding or selling financial assets. These are measured subsequently at fair value and changes therein are recognized directly in other comprehensive income (OCI).

- Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial instruments which does not meet the criteria of amortized cost or FVTOCI are classified as fair value through profit or loss. These are recognized at fair value and changes therein are recognized in the statement of profit and loss.

2.2.7.3. Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognized as a deduction from other equity, net of any tax effects.

2.2.7.4. Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

2.2.7.5. Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognized in other comprehensive income is reclassified to Retained Earnings.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

2.2.8. Inventories

Inventories other than Contract Work in Progress, are valued at lower of Cost of Net realizable Value and is computed on FIFO Basis.

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

The cost of inventories has been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

2.2.9. Foreign Currency Transactions

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost. The loss or gain thereon and on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss.

2.2.10. Provisions, Contingent Liabilities and Contingent Assets

2.2.10.1. Provisions

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events, and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognized for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, considering the risks and uncertainties surrounding the obligation.

2.2.10.2. Contingent Liabilities

Contingent liabilities are not recognized and are disclosed by way of notes to the standalone financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

2.2.10.3. Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. During the normal course of business, unresolved claims remains outstanding. The inflow of economic benefits, in respect of such claims cannot be measured due to uncertainties that surround the related events and circumstances.

2.2.11. Employee Benefits

2.2.11.1. Short term employee benefits: They are accrued in the year in which services are rendered by the employees and are measured on an undiscounted basis. Short-term employee benefits are recognized as an expense in the statement of profit and loss for the year in which related service is rendered.

2.2.11.2. Defined Contribution Plan: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable to the provident fund is recognized as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.

2.2.11.3. Defined Benefit Plan: The Company's obligation towards gratuity and superannuation, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have funded the planned assets with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

2.2.11.4. Other long term employee benefits: Short-term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

2.2.12. Revenue Recognition

2.2.12.1. Revenue from Operations

The Company runs a Theme amusement park and generates revenue by way of sale of entry and ride tickets, sale of merchandise, cooked foods and beverages. The Company also earns revenue from construction and supply of ride components and related consultancies and incidental income from recreational facilities (venue charges etc.) and license fees, sponsorship & branding.

Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognized when control over a product or service has been transferred and/or products/services are delivered/provided to the customers. Discounts and rebates allowed, if any, are deducted there from sales.

a. Sale of Services

- Income from Entry Fees/ Rides/ Games etc.

Revenues from theme park/ water park ticket sales are recognized when the tickets are issued. Revenue from sale of passes/ fun tickets-annual membership with all days validity which are non-refundable in nature are recognized when passes/ tickets are sold. Revenue in respect of sale of tickets for which validity period is beyond the reporting date is not recognized.

- Recreational Facility Income

Venue charges recovered are categorized as recreational facility income and revenue in this respect is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

b. Revenue from Sale of Products:

Sale of products comprises of sale of food and beverages, merchandise and supply of components for rides. Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of allowances, trade discounts and volume rebates (if any).

c. Revenue from Construction Contract

Revenue from construction contracts is recognized based on the stage of completion of the contract when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed.

d. Barter Transactions

The Company recognizes revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter transaction by taking reference to a non-barter transaction of similar nature and accordingly recognize it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

2.2.12.2. Other Income

a. Dividend Income

Dividend income from investments are recognized when the Company's right to receive the payment of the same is established.

b. Interest Income

Interest income from financial assets is recognized using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

2.2.13. Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

costs are recognized in the statement of profit and loss using the effective interest method except to the extent attributable to qualifying assets which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

2.2.14. Government Grants

Government Grants are recognized at their fair value where there is a reasonable assurance that the grant will be received, and the Company will comply with all attached conditions.

Government grants are recognized in the statement of profit & loss on a systematic basis over the periods in which the Company recognizes the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognized as deferred revenue in the balance sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

2.2.15. Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

2.2.15.1. Current Tax

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.2.15.2. Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

The Company offsets deferred tax assets and deferred tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.2.16. Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.2.17. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit or loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.2.18. Cash and Cash Equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

2.2.19. Segment Reporting

The identification of operating segment is consistent with performance assessment and resource allocation by the Chief Operating Decision Maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available.

2.3. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The notes provide an overview of the areas that involved a high degree of judgement or complexity and of items which are likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant note together with information about basis of calculation of each affected line item in the financial statements. The key assumptions concerning the future and other key sources of estimation/assumptions at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities and related revenue impact within the next financial year are discussed below:

2.3.1. Arrangements containing leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. Reference is invited to note no. 3.3.1 in this respect dealing with estimation of tenure of lease. Any variation in this respect may lead to significant impact on the financial statements.

2.3.2. Depreciation / amortization of and impairment loss on property, plant and equipment / intangible assets.

Property, Plant and Equipment, ROU Assets and intangible assets are depreciated/amortized on straight-line basis over the estimated useful lives (or lease term if shorter) in accordance with internal assessment and Independent evaluation carried out by technical expert/ Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be recognized is estimated by reference to the estimated value in use or recoverable amount of the respective assets. In such situation Assets' recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the future cash flows are estimated based on assumptions involving future projections and profitability which are inherently uncertain and are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realizations are considered or otherwise in absence of such transactions appropriate valuations are adopted.

During the year, the company determined the recoverable amount of the CGU based on value in use method which was higher as compared to the carrying value of each of the activities and accordingly, no impairment was required as at 31st March, 2022. The Company has undertaken the impairment study with reference to the latest cash flow forecasts and applying a

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

growth rate beyond approved forecast period. The growth rates used for the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments. There are uncertainties involved in assumptions and estimations and actual impact thereof may be different than estimated.

The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/amortization to be recorded during any reporting period. This reassessment may result in change in such expenses in future periods.

2.3.3. Impairment loss on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

2.3.4. Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes. Also, there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain.

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic benefits.

2.3.5. Defined benefit obligation (DBO)

The present value of the defined benefit obligations and long-term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations. The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based on current market conditions.

2.3.6. Impairment of Financial Assets

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

2.3.7. Going Concern

The lease term for land on which the Operations of the Park has been based is due for renewal in February, 2023. In terms of the original lease deed the same can be renewed for another two terms of 33 years each. Even though there is uncertainty in this respect since final decision for the renewal has not been made, considering the State Government's strategic long term involvement with the Company, financial statement has been prepared on the going concern on the assumption of this renewal being in place.

2.3.8. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Notes:

- 3 (a) The management has tested its Park and other activities for impairment as at 31st March, 2022. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at 31st March, 2021. The Company has undertaken the impairment with reference to the latest cash flow forecasts of next five years and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of renewal of the lease term of the land granted for the Park Operations being undertaken by the Company and other future developments.
- (b) The company has the title deeds of all the immovable properties in its name.

- 49 In the opinion of the management and to the best of their knowledge and belief, the Value on realization of Trade Receivables, Current Assets, loans and Advances in the ordinary course of business would not be less than the amount at which they are stated in balance sheet. the debit/credit Balances of parties are however, subject to confirmation and subsequent Adjustments, if any.
- 50 Capital management

The Company's objective while managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide maximum returns to Shareholders and other stake holders. The Company manages its capital structure and makes Adjustments in the light of changes in the financial condition and the requirements of the financial covenants and return of capital to Shareholders. Even though the company is predominantly Equity financed, it also aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. The Company has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings. Further, the Company has sufficient Cash and Cash Equivalents, Current Investments and Financial Assets which are liquid to meet the debts.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2022 and 31st March, 2021.

51.2 Fair Value Techniques

The Fair Values of the Financial Assets and Liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the Fair Values:-

The Fair Value of Cash and Cash Equivalents, Bank balance other than Cash and Cash Equivalents, Current loans, Trade Receivables and Trade Payables, Current Financial Liabilities and Assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of Financial Assets and Financial Liabilities recognised at Cost/Amortised Cost in the Financial Statements approximate their Fair Values.

Investments in Mutual Funds are Valued based on the Net asset Value of those units at each reporting date. Investment in Unquoted Equity share of Companies (other than Investments in Associates) is Valued based on the historical Net asset Value as per the latest Audited Financial Statements.

51.3 Fair value hierarchy

The following table presents Fair Value hierarchy of Assets and Liabilities measured at Fair Value on a recurring basis as at balance sheet date: (₹ in lakhs)

Particulars	“Quoted prices in active markets (Level 1)”	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
As at 31st March, 2022				
Investment in unquoted equity share (other than investments in associates)	-	-	422.49	422.49
Investments in mutual funds	-	940.78	-	940.78
As at 31st March, 2021				
Investment in unquoted equity share (other than investments in associates)	-	-	414.00	414.00

During the year ended March 31, 2022 and March 31, 2021, there were no transfers between Level 1, Level 2 and Level 3.

The inputs used in Fair Valuation measurement are as follows:

(a) Fair Valuation of Financial Assets and Liabilities not within the operating cycle of the company is amortised based on the market borrowing rate.

(b) Financial instruments are Valued based on quoted prices for similar Assets and Liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. In respect of Unquoted Equity shares, the inputs used was the Audited balance sheet for the year then available.

52 Financial risk management objectives and policies

The Company's activities expose it to the following risks:

- Credit risk
- Liquidity risk

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2022

c) Market risk

The Company's senior management under the supervision of Board of Directors oversees the management of these risks. The Company's financial risks are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

52.1 Credit risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Trade Receivables) and from its financing activities including Deposits with Banks and Financial Institutions, Investments and other financial instruments. Outstanding customer Receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivables disclosed in Note no. 11.

52.2 Liquidity risk

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The Current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

52.3 Market Risk

Market risk is the risk that the Fair Value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk i.e., interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, Trade Receivables and Trade Payables.

- i) Foreign currency risk is the risk that the Fair Value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.
- ii) Interest rate risk is the risk that the Fair Value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's long-term borrowing obligations.

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on its long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by Current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

INDEPENDENT AUDITORS' REPORT

To The Members of
Nicco Parks & Resorts Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying Consolidated Financial Statements of Nicco Parks & Resorts Limited ("the Company") and share of its profit of Associates, which comprise the Consolidated Balance Sheet as at 31st March, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us based on the consideration of reports of other auditors on separate financial statements, and on the other financial information of the Associates, the aforesaid Consolidated Financial Statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Company including its Associates, as at 31st March, 2022, and their consolidated profit (including other comprehensive income), their consolidated changes in equity and the consolidated cash flows for the year then ended.

BASIS FOR OPINION

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) notified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Company and its Associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in 'Other Matter' paragraph below is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

EMPHASIS OF MATTER

Attention is drawn to Note 55 of the consolidated financial results dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the consolidated financial results as well as future performance of the company. Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the key audit matters for incorporation in our report.

We have fulfilled the responsibilities described in the "Auditors' Responsibilities for the Audit of the Consolidated Financial Statements" section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The result of our audit procedures, including the procedures performed to address the matters below, provide the basis for our opinion on the accompanying Consolidated Financial Statements.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITORS’ REPORT THEREON

The Company’s Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report but does not include Consolidated Financial Statements, standalone financial statements and our auditors’ report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report with respect to the above.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Company including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards notified under section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company including its Associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the Company including its Associates are responsible for assessing the Company’s ability including its Associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company including its Associates.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company including its Associates has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability including its Associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company including its Associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities with the Company including its Associates to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision, and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTER

We did not audit the financial statements of one associate company, Nicco Engineering Services Limited (NESL) included in the Consolidated Financial Statements for the year ended 31st March, 2022 which includes Company's share of net profit after tax of Rs. 99.53 Lakhs, other comprehensive income (Net of taxes) of Rs. 29.61 Lakhs and total comprehensive income of Rs. 129.14 Lakhs. This financial statement has been audited by other auditor whose reports have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the associate company, and our report in terms of

sub-section (3) and sub section (11) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of other auditors.

We have also not audited the financial statements of Other Associate Company, Nicco Parks Leisure Projects Private Limited (NPLPPL) and Joint Venture, Nicco Jubilee Park Limited (NJPL), whose share of profit has not been considered for the reasons stated in Note 4 (c) of the Consolidated Financial Statements. Our opinion is not modified in respect of this matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

The matters reported hereunder are based on the financial statements of the Company and its Associate Company “NESL” and on consideration of report of other auditor of the said associate existing as on the reporting date.

1. As required by paragraph 3(xxi) of the Companies (Auditor’s Report) Order, 2020 (hereinafter referred to as “CARO 2020”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we report that there are no qualifications or adverse remarks included by the respective auditors in CARO 2020 report issued in respect of companies included in the consolidated financial statements.
2. As required by section 143(3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and on the other financial information of associates, as noted in “Other Matter” paragraph above, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the report of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards notified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
 - e) Based on the written representations received from the directors of the Company as on 31st March, 2022 taken on record by the Board of Directors of the Company and as per the report of other statutory auditors of its Associate companies, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and the operating effectiveness of such controls, refer to our Report in “Annexure A” which is based on the audited report of the Company audited by us and two Associates audited by other auditors. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to Consolidated Financial Statements of the Company and its Associates incorporated in India; and
3. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Pending litigations (other than those already recognized in the accounts) having material impact on the financial position of the Company have been disclosed in the Consolidated Financial Statements as required in terms of accounting standards and provisions of Companies Act, 2013 – refer note 44.1 of the Consolidated Financial Statements.
 - ii. The Company and its associates did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, however, in case of its associate there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Associates of the Company.
 - iv. a. The respective managements of the Company and its Associate which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditor of such Associate that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its Associate to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or its Associate (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b. The respective managements of the Company and its Associate which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditor of such Associate that, to the best of their knowledge and belief, no funds have been received by the Company or its Associate from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or its Associate shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the other auditor of the Associate which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor’s notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as stated under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or Paid any interim dividend during the year. Also, the associate Company have not declared or paid any dividend during the year.
4. With respect to the reporting under section 197(16) of the Act to be included in the Auditors’ Report, in our opinion and according to the information and explanations given to us, the remuneration (including sitting fees) paid by the Company and its Associates to its Directors during the current year is in accordance with the provisions of section 197 of the Act and is not in excess of the limit laid down therein.

Annexure “A” to the Independent Auditor’s Report

(Referred to in point (f) of paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date) to the members of Nicco Park and Resorts Limited.

Report on the Internal Financial Controls with reference to the Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Financial Statements of the Company and its Associates as of and for the year ended 31st March, 2022, we have audited the internal financial controls with reference to the Consolidated Financial Statements of Nicco Parks & Resorts Limited (hereinafter referred to as “the Company”) and its Associate Company, which are companies incorporated in India, as of that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE CONSOLIDATED FINANCIAL STATEMENTS

The respective Board of Directors of the Company and its Associate Company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the Consolidated Financial Statements criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

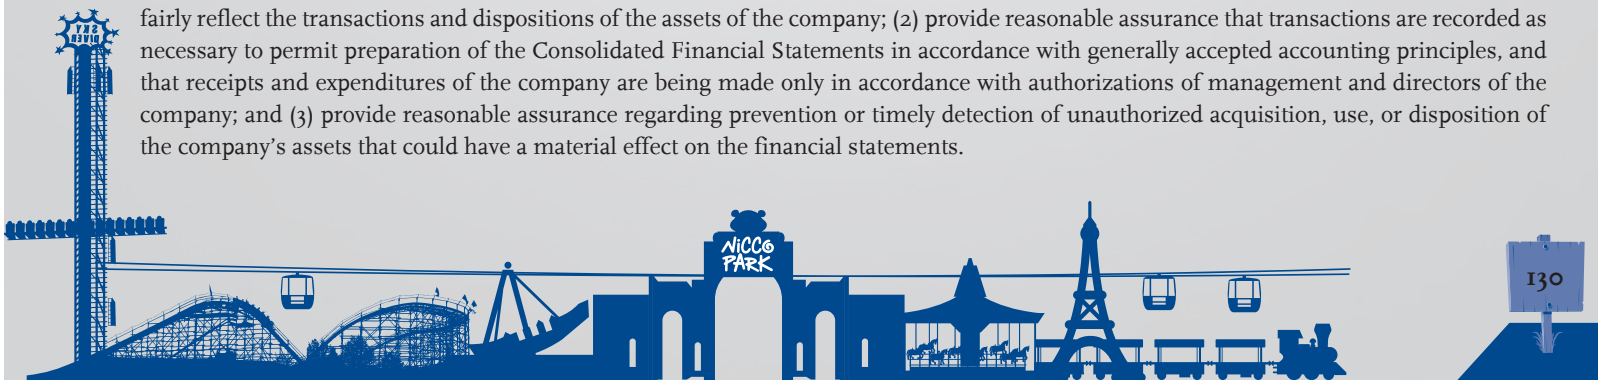

Our responsibility is to express an opinion on the internal financial controls with reference to the Consolidated Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing notified Under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the auditors of the Associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to the Consolidated Financial Statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

A company’s internal financial control with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to the Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company and its Associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to the Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements was operating effectively as at 31st March, 2022, based on the internal control with reference to the Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to one associate company, which are companies incorporated in India, is based on the corresponding standalone reports of the auditors', as applicable, of such companies incorporated in India.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

I. Corporate Information

The consolidated financial statements comprise financial statements of Nicco Parks & Resorts Limited (“NPRL” or Company”) and its two associates, Nicco Engineering Services Limited and Nicco Parks Leisure Projects Private Limited and one joint venture, Nicco Jubilee Park Limited.

Nicco Parks & Resorts Limited (“the Company”) is a listed entity incorporated in India in 1989 having its Registered Office at “Jheel Meel”, Sector IV, Salt Lake City, Kolkata-700106. The Company is a leading and prominent wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme-based entertainment including theme park, water park and associated activities including retail merchandising and food & beverages.

The consolidated financial statements For the year ended 31st March, 2022 has been approved by the Company’s Board of Director’s at their meeting held on May 27, 2022.

2. Basis of Accounting

2.1. Statement of Compliance and Recent Pronouncements

2.1.1. Statement of Compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the “Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The Ind ASs issued, notified and made effective till the consolidated financial statements are approved for issue by the Board of Directors have been considered in preparing these consolidated financial statements.

Recent Pronouncements

2.1.2. Application of New and Revised Standards

The Ministry of Corporate Affairs (MCA) vide Notification dated 18th June 2021 has issued Companies (Indian Accounting Standard) Amendment Rules, 2021. The Company has applied the following standards and amendments for the first time during the year ended 31st March 2022. These amendments had no impact on the financial statements of the Company.

- a. The amendment under Ind AS 38 and Ind AS 37 clarifies that the definition of “asset” under Ind AS 38 and the definition of “liability” under Ind AS 37 are not revised following the revision of the definition of “asset” and “liability” in the Conceptual Framework respectively.
- b. Reference to the “Framework for Preparation and Presentation of Financial Statements” with Ind AS has been substituted with reference to the “Conceptual Framework” under Ind AS 1, Ind AS 8, and Ind AS 34.
- c. Certain amendments have been made under Ind AS 115 to maintain consistency with the number of paragraphs of IFRS 15.
- d. In the definition of “recoverable amount”, for the words “fair value less costs to sell”, the words “fair value less costs of disposal” have been substituted. The consequential amendments are made in Ind AS 105, Ind AS 16, and Ind AS 28.

2.1.3. Standards issued but not yet effective

The Ministry of Corporate Affairs (MCA) vide Notification dated 23rd March 2022 has issued Companies (Indian Accounting Standard) Amendment Rules, 2022. These amendments to the extent relevant to the Company’s operations include:

Amendment to Ind AS 16 which clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of the cost of an item of property, plant, and equipment.

Amendment to Ind AS 37 specifies that the “cost of fulfilling” a contract comprises the “costs that relate directly to the contract”. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour and materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant, and equipment used in fulfilling the contract).

Other amendments in various standards, including Ind AS 101, Ind AS 103, Ind AS 109 “Financial Instruments”, and Ind AS 41 “Agriculture”, have not been listed above since these are not relevant to the Company.

Even though the Company will evaluate the impact of the above, none of these amendments are vital in nature and are not likely to have a material impact on the Company’s financial statements.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

2.2. Significant Accounting Policies

2.2.1. Basis of Preparation and Consolidation

Basis of Preparation

The consolidated financial statements have been prepared under the historical cost convention on accrual basis except certain financial instruments that are measured in terms of relevant Ind AS at amortized costs or fair value and other relevant provisions of the Act (to the extent notified).

All the assets and liabilities (other than deferred tax assets or liabilities) have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and in Division II of Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets or liabilities (net) are considered as non-current.

The functional currency of the Company is determined as the currency of the primary economic environment in which it operates. The consolidated financial statements are presented in Indian Rupees. All amounts disclosed in the consolidated financial statement including notes thereon have been rounded off to the nearest two decimals of lakhs, unless otherwise stated.

Basis of Consolidation

The Consolidated Financial Statements have been prepared in accordance with principles laid down in Ind AS 110 on "Consolidated Financial Statements" and Ind AS 28 on "Investments in Associates and Joint Ventures".

The Company's investment in Associates and Joint venture are accounted for using the equity method. Under the equity method, the investment in associate and joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Company's share of net assets of associate and joint venture since acquisition date. If the Company's share of net fair value of investee's identifiable asset and liabilities exceeds the cost of investment, any excess is recognised directly in Equity as capital reserve in the period in which investment is acquired. Goodwill, if any, relating to the associate or joint venture is included in the carrying amount of investment and is not tested for impairment.

The Consolidated Statement of Profit and Loss reflects the Company's share of the results of operations of the associates and joint venture. Any change in Other Comprehensive Income of investee is presented as part of the Company's Other Comprehensive Income. In addition, when there has been a change recognised directly in the equity of the associates and joint venture, the Company recognises its share of any changes, when applicable, in the Consolidated Statement of Changes in Equity. Unrealised gains and losses resulting from transactions between the Company and the associates and joint venture are eliminated to the extent of the interest in the associates.

If the Company's share of losses of associates and joint venture equals or exceeds its interest in the associates and joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate and joint venture), the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associates or joint venture. If the associate or joint venture subsequently reports profits, the Company resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company's share of profit or loss of associates and joint venture is shown on the face of the Consolidated Statement of Profit and Loss.

The consolidated financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date, i.e., year ended on 31st March.

When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associates and joint venture. At each balance sheet date, the Company determines whether there is objective evidence that the investment in the associates or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit/loss of associates or joint venture' in the Consolidated Statement of Profit and Loss.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

2.2.2. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (a) **Level 1:** Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) **Level 2:** Inputs other than quoted prices included within level 1 that are observable, either directly or indirectly for the asset or liability.
- (c) **Level 3:** Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

2.2.3. Property, Plant and Equipment (PPE)

Property, plant and equipment held for use in the production or/ and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).

Cost of an item of PPE acquired comprises its purchase price (after deducting any trade discounts and rebates), including import duties and non-refundable purchase taxes, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on PPE arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of PPE is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of day-to-day servicing of PPE are recognized in the statement of profit & loss as and when incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, directly attributable borrowing costs and allocation of directly attributable overheads incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly are also added to the cost of self-constructed assets.

Capital work in progress includes cost of PPE under installation/ under development as at the balance sheet date. Advances paid towards the acquisition of PPE outstanding at each balance sheet date are classified as Capital Advances under other non-current assets.

a. Depreciation

Depreciation on PPE is provided under straight line method (except for vehicle where written down value method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is other than that under Schedule II.

2.3.7. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipment, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

The residual value of assets is not more than 5% of the original cost of the asset. Depreciation in respect of PPE added/ disposed off during the year is provided on pro-rata basis, with reference to the date of addition/ disposal.

The residual values, useful lives and methods of depreciation of PPE are reviewed at the end of each financial year wherever appropriate.

b. De-recognition of PPE

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

2.2.4. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

For this purpose, cost includes acquisition price, license fees (if any), non-refundable taxes and cost of implementation/ system integration services and any directly attributable expenses, where ever applicable for bringing the asset to its working condition for its intended use.

a. Amortization

Intangible assets being Computer Software are amortized on straight line basis over its estimated useful life of 5 years. The amortization expense is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Amortization methods and useful lives are reviewed, and adjusted as appropriate, at the end of each financial year.

b. De-recognition of Intangible assets

An item of Intangible Asset is de-recognized upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Intangible Asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

2.2.5. Leases

a. Company as a Lessee

The Company's lease asset classes primarily consist of land taken on lease for business operations. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

Lease payments associated with short term leases and leases in respect of low value assets are charged off as expenses on straight line basis over the lease term or other systematic basis, as applicable.

At commencement date, the value of "Right of Use Asset" is capitalized at the present value of outstanding lease payments plus any initial direct cost and estimated cost, if any, of dismantling and removing the underlying asset. The right-of-use asset is depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Subsequent measurement, if any, is made using cost model.

Each lease payment is allocated between the liability created and finance cost. The finance cost is charged to statement of profit & loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease modifications, if any are accounted as a separate lease if the recognition criteria specified in the standard are met.

b. Company as a Lessor

Assets given on lease are either classified as operating lease or as finance lease. A lease is classified as finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially, asset held under finance lease is recognised in Balance Sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease. The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis.

2.2.6. Impairment of Tangible and Intangible Assets

Tangible, Intangible and ROU Assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost to disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation/ amortization, had no impairment loss been recognized for the asset in prior years.

2.2.7. Financial instruments - Financial assets and financial liabilities

Financial assets and financial liabilities (financial instruments) are recognized when the Company becomes a party to the contractual provisions of the instruments.

a. Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition except for the financial assets and liabilities measured at fair value through profit or loss, in which case the same is charged immediately in the statement of profit and loss.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

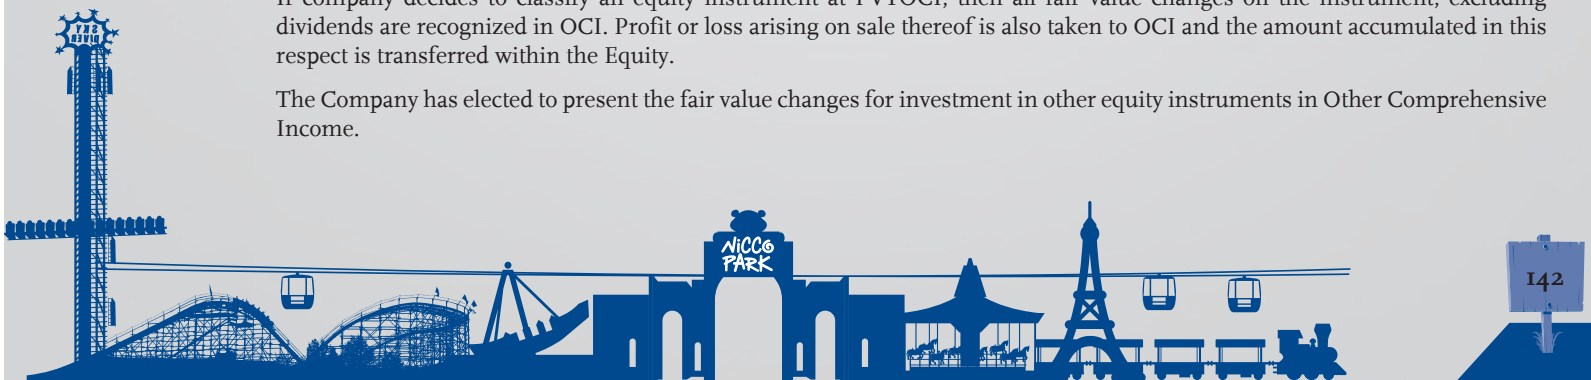

b. Subsequent Measurement

Equity investments in the scope of "Ind AS 109" are measured at fair value except for investment in Associates and joint venture which are carried at cost.

The Company makes an election to present changes in fair value either through other comprehensive income (OCI) or through profit or loss on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends are recognized in OCI. Profit or loss arising on sale thereof is also taken to OCI and the amount accumulated in this respect is transferred within the Equity.

The Company has elected to present the fair value changes for investment in other equity instruments in Other Comprehensive Income.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

• Financial Assets and Financial Liabilities measured at amortised cost

Financial assets held with a business objective to hold them to collect contractual cash flows through the contractual terms of the financial asset on specified dates that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The financial assets and financial liabilities are subsequently measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the financial asset or liability to the gross carrying amount of the financial asset or to the amortized cost of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

• Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held with a business objective of both collecting contractual cash flows through the contractual terms of the financial asset on specified dates that are solely payments of principal and interest on the principal amount outstanding or selling financial assets. These are measured subsequently at fair value and changes therein are recognized directly in other comprehensive income(OCI).

• Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial instruments which does not meet the criteria of amortized cost or FVTOCI are classified as fair value through profit or loss. These are recognized at fair value and changes therein are recognized in the statement of profit and loss.

c. Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognized as a deduction from other equity, net of any tax effects.

d. Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

e. Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognized in other comprehensive income is reclassified to Retained Earnings.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

2.2.8. Inventories

Inventories other than Contract Work in Progress, are valued at lower of Cost of Net realizable Value and is computed on FIFO Basis.

The cost of inventories has been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

2.2.9. Foreign Currency Transactions

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost. The loss or gain thereon and on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss.

2.2.10. Provisions, Contingent Liabilities and Contingent Assets

a. Provisions

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events, and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognized for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, considering the risks and uncertainties surrounding the obligation.

b. Contingent Liabilities

Contingent liabilities are not recognized and are disclosed by way of notes to the consolidated financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

c. Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. During the normal course of business, unresolved claims remains outstanding. The inflow of economic benefits, in respect of such claims cannot be measured due to uncertainties that surround the related events and circumstances.

2.2.11. Employee Benefits

a. Short term employee benefits: They are accrued in the year in which services are rendered by the employees and are measured on an undiscounted basis. Short-term employee benefits are recognized as an expense in the statement of profit and loss for the year in which related service is rendered.

b. Defined Contribution Plan: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable the provident fund is recognized as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.

c. Defined Benefit Plan: The Company's obligation towards gratuity and superannuation, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have funded the planned assets with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

- d. **Other long term employee benefits:** Short-term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

2.2.12. Revenue Recognition

a. Revenue from Operations

The Company runs a Theme amusement park and generates revenue by way of sale of entry and ride tickets, sale of merchandise, cooked foods and beverages. The Company also earns revenue from construction and supply of ride components and related consultancies and incidental income from recreational facilities (venue charges etc.) and license fees, sponsorship & branding.

Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognized when control over a product or service has been transferred and/or products/ services are delivered/ provided to the customers. Discounts and rebates allowed, if any, are deducted there from sales.

i. Sale of Services

- Income from Entry Fees/ Rides/ Games etc.

Revenues from theme park/ water park ticket sales are recognized when the tickets are issued. Revenue from sale of passes/ fun tickets-annual membership with all days validity which are non-refundable in nature are recognized when passes/ tickets are sold. Revenue in respect of sale of tickets for which validity period is beyond the reporting date is not recognized.

- Recreational Facility Income

Venue charges recovered are categorized as recreational facility income and revenue in this respect is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

ii. Revenue from Sale of Products:

Sale of products comprises of sale of food and beverages, merchandise and supply of components for rides. Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of allowances, trade discounts and volume rebates (if any).

iii. Revenue from Construction Contract

Revenue from construction contracts is recognized based on the stage of completion of the contract when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed.

iv. Barter Transactions

The Company recognizes revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter transaction by taking reference to a non-barter transaction of similar nature and accordingly recognize it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

b. Other Income

i. Dividend Income

Dividend income from investments are recognized when the Company's right to receive the payment of the same is established.

ii. Interest Income

Interest income from financial assets is recognized using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

2.2.13. Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the statement of profit and loss using the effective interest method except to the extent attributable to qualifying assets which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

2.2.14. Government Grants

Government Grants are recognized at their fair value where there is a reasonable assurance that the grant will be received, and the Company will comply with all attached conditions.

Government grants are recognized in the statement of profit & loss on a systematic basis over the periods in which the Company recognizes the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognized as deferred revenue in the balance sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

2.2.15. Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

a. Current Tax

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

b. Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

The Company offsets deferred tax assets and deferred tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.2.16. Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.2.17. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit or loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

2.2.18. Cash and Cash Equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

2.2.19. Segment Reporting

The identification of operating segment is consistent with performance assessment and resource allocation by the Chief Operating Decision Maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available.

2.3. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the consolidated financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the consolidated financial statements have been disclosed below. The notes provide an overview of the areas that involved a high degree of judgement or complexity and of items which are likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant note together with information about basis of calculation of each affected line item in the consolidated financial statements.

The key assumptions concerning the future and other key sources of estimation/assumptions at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities and related revenue impact within the next financial year are discussed below:

2.3.1. Arrangements containing leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. Reference is invited to note no. 3.3.1 in this respect dealing with estimation of tenure of lease. Any variation in this respect may lead to significant impact on the consolidated financial statements.

2.3.2. Depreciation / amortization of and impairment loss on property, plant and equipment / intangible assets

Property, Plant and Equipment, ROU Assets and intangible assets are depreciated/amortized on straight-line basis over the estimated useful lives (or lease term if shorter) in accordance with internal assessment and Independent evaluation carried out by technical expert/ Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be recognised is estimated by reference to the estimated value in use or recoverable amount of the respective assets. In such situation Assets' recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the future cash flows are estimated based on assumptions involving future projections and profitability which are inherently uncertain and are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted.

Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2022

During the year, the company determined the recoverable amount of the CGU based on value in use method which was higher as compared to the carrying value of each of the activities and accordingly, no impairment was required. As at 31st March, 2022, the Company has undertaken the impairment study with reference to the latest cash flow forecasts and applying a growth rate beyond approved forecast period. The growth rates used for the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments. There are uncertainties involved in assumptions and estimations and actual impact thereof may be different than estimated.

The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/ amortization to be recorded during any reporting period. This reassessment may result in change in such expenses in future periods.

2.3.3. Impairment loss on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

2.3.4. Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain.

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic benefits.

2.3.5. Defined benefit obligation (DBO)

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations. The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based on current market conditions.

2.3.6. Impairment of Financial Assets

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

2.3.7. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Notes:

3. (a) The management has tested its Park and other activities for impairment as at 31st March, 2022. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at 31st March, 2021. The Company has undertaken the impairment with reference to the latest cash flow forecasts of next five years and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of renewal of the lease term of the land granted for the Park Operations being undertaken by the Company and other future developments.
3. (b) The company has the title deeds of all the immovable properties in its name.

50 Capital management

The Company's objective while managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide maximum returns to shareholders and other stake holders. The Company manages its capital structure and makes adjustments in the light of changes in the financial condition and the requirements of the financial covenants and return of capital to shareholders. Even though the company is predominantly equity financed, it also aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. The Company has complied with these covenants and there have been no breaches in the financial covenants of any interest-bearing loans and borrowings. Further, the Company has sufficient Cash and Cash Equivalents, current investments and Financial Assets which are liquid to meet the debts.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2022 and 31st March, 2021.

51.2 Fair Value Techniques

The Fair Values of the Financial Assets and Liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the Fair Values:-

The Fair Value of Cash and Cash Equivalents, Bank balance other than Cash and Cash Equivalents, Current loans, Trade Receivables and Trade Payables, Current Financial Liabilities and Assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of Financial Assets and Financial Liabilities recognised at Cost/Amortised Cost in the Financial Statements approximate their Fair Values.

Investments in Mutual Funds are Valued based on the Net asset Value of those units at each reporting date. Investment in Unquoted Equity share of Companies (other than Investments in Associates) is Valued based on the historical Net asset Value as per the latest Audited Financial Statements.

51.3 Fair value hierarchy

The following table presents Fair Value hierarchy of Assets and Liabilities measured at Fair Value on a recurring basis as at balance sheet date: (₹ in lakhs)

Particulars	“Quoted prices in active markets (Level 1)”	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
As at 31st March, 2022				
Investment in unquoted equity share (other than investments in associates)	-	-	422.49	422.49
Investments in mutual funds	-	940.78	-	940.78
As at 31st March, 2021				
Investment in unquoted equity share (other than investments in associates)	-	-	414.00	414.00
Investments in mutual funds	-	658.83	-	658.83

During the year ended March 31, 2022 and March 31, 2021, there were no transfers between Level 1, Level 2 and Level 3.

The inputs used in Fair Valuation measurement are as follows:

(a) Fair Valuation of Financial Assets and Liabilities not within the operating cycle of the company is amortised based on the market borrowing rate.

(b) Financial instruments are Valued based on quoted prices for similar Assets and Liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. In respect of Unquoted Equity shares, the inputs used was the Audited balance sheet for the year then available.

52 Financial risk management objectives and policies

The Company's activities expose it to the following risks:

- Credit risk
- Liquidity risk
- Market risk

The Company's senior management under the supervision of Board of Directors oversees the management of these risks. The Company's financial risks are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

52.1 Credit risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Trade Receivables) and from its financing activities including Deposits with Banks and Financial Institutions, Investments and other financial instruments. Outstanding customer Receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivables disclosed in Note no. 11.

52.2 Liquidity risk

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The Current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

5.2.3 Market Risk

Market risk is the risk that the Fair Value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk i.e., interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, Trade Receivables and Trade Payables.

- Foreign currency risk is the risk that the Fair Value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.
- Interest rate risk is the risk that the Fair Value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the company's long-term borrowing obligations.

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on its long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by Current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.
