Note:

a. Figures for the Financial Year have been restated as per IND-AS and therefore may not be comparable with Financials for 2016-17 approved by the Board of Directors and disclosed in the Financial Statement of previous year.

State of Company Affairs as on March 31, 2018

During the year under review the Total Income was ₹ 4880 lakhs as against ₹ 4693 lakhs in the corresponding previous year registering a growth of approximately 4%. Cumulative income from Main Park and Water Park taken together was ₹ 3288 lakhs, Income from Projects was ₹ 177 lakhs. Income from Food & Beverage and Recreation Facilities was ₹ 1293 Lakhs and Merchandising income stood at ₹ 11 Lakhs. Income from Branding & Sponsorship & Miscellaneous Income was ₹ 502 lakhs. Net Revenue from Operations as on March 31, 2018 was ₹ 4699 lakhs.

The overall annual footfall of the Park including Bowler's Den, Nicco Super Bowl and Other Recreation Facilities was 12.16 lakhs compared to 12.14 lakhs in 2016-17. The footfall at the water park decreased marginally from 3.18 lakh to 3.13 Lakhs visitors. Cumulative Per Capita Contribution in Main Park and Water Park was ₹ 274 during the financial year 2017-2018.

In spite of intense competition from Eco Park, Science City & Alipore Zoological Garden (Zoo) during the peak months from December, 2017 to February, 2018, the Profit Before Tax stood at ₹ 887 lakhs a marginal increase of around 6% compared to previous financial year attributed to the aggressive marketing, healthy increase in the sale of Food & Beverage and change in pricing policy.

Consequent to the roll out the Goods and Services Tax (GST) with effect from July 1, 2017 your company also adopted the single tax regime and accordingly attuned its systems & processes to be GST compliant.

The benefits on rationalization of Indirect Tax rates hitherto applicable to the amusement park industry vis-à-vis unified rates in GST environment, was passed to our visitors in form of reduction of ticket price on entry & rides.

Your company successfully implemented a new ticketing software and also changed the operation of the main food court from franchise model to Nicco Park managed. Your company has also introduced RFID bands in the water park on test basis for operating digital lockers for safe keeping of the belongings as well as for food outlet in the water park area. The same RFID bands come with the option of loading cash into it so that visitors can freely move around and enjoy amenities like food while being cashless inside our park.

In order to increase the entertainment value to our visitors your company added novelties in form of new rides and attractions. The new 'Happy Circus Mirror Maze' (Mirror Maze) was inaugurated by the children visitors in presence Sheroo & his friends on December 15, 2017 in a gala event at 'Nicco Parks'. The Mirror Maze is integrated with great illusion through multiple reflections and intricate design that baffles and misleads one to create a fascinating and unforgettable experience. The Mirror Maze attained popularity among all age group of our visitors.

Your company also added two new rides in the water park namely the 'Water Toy Ride' and 'Rainbow Slide' both were well received by the visitors.

Dividend & Transfer to Reserves

The Board of Directors of the Company at its meeting held on 9th February, 2018, declared and paid an Interim Dividend for the financial year ending 31st March, 2018 to the shareholders of the Company @ 15% per Equity Share (0.15 paisa on an Equity share of par value of ₹ 1 each) on 4,68,00,000 equity shares amounting to ₹ 70.20 lakhs and the Interim Dividend was paid to those shareholders whose name appeared in the Register of Members as on February 23, 2018. The total dividend for the year ended March 31, 2018 will be 0.15 paisa per equity share of face value of ₹ 1/- each.

The Board of Directors has decided to retain the entire amount of profits in the profit and loss account, hence no amount has been transferred to Reserves.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Industry Structure and Development

Theme Parks are a major attraction for children and families, as they provide a day full of entertainment. A variety of options, in the form of different rides, add a sense of thrill and adventure to the experience. Park format are broadly classified as amusement parks, theme parks and water parks. A theme park is defined as an unique setting or rides with specific themes. Water parks, on the other hand, offer a range of water based activities.

A theme park is a pro-active form of leisure, unlike visits to the mall and cinemas. For the growing number of nuclear families in India, where both parents are working, amusement parks are an avenue to spend quality time together, thus deepening bonds and fostering affection. Over and above the family aspect, the parks play an active role to help the community to come together and live a better life.

The Indian amusement and theme park industry has been growing at a compounded annual growth rate of more than 17.5% with an annual revenue of around ₹ 17 billion. The industry provides direct employment to over 75,000 people.

With the rising income levels, increasing domestic tourism and favourable demographics, the sector is estimated to grow by a CAGR of 19.1 per cent over the next five years, thereby offering immense growth opportunities in this sector. The sector is estimated to grow to ₹ 69.8 Billion by 2021.

There are many investments proposed in the Indian Amusement & Theme Park industry both on Public Private Partnership (PPP) basis and by private players in India. There are more than Rs.200 Billion investment proposed towards developing large parks in India over the next four to five years.

Some of the key challenges faced by the sector are: having a high level of domestic traffic versus a disproportionately low footfall; not appealing to foreign tourists enough; a limited product range, the lack of innovation and incentive to upgrade in parks; and the lack of new age marketing and positioning tools to expand the visitor base.

Amusement parks increasingly promote social wellness and beget fun and learning for children and their families. Keeping this in mind, and heeding to requests from multiple bodies, the GST council had reduced the GST burden on admission charges to amusement parks from 28% to 18%.

B. Opportunities and Threats

Opportunity

- Eastern India has experienced growth in leisure and entertainment business in recent years.
- Gradual shift of center of gravity of the city to Salt Lake due to development of large townships, Govt. offices and Information Technology industry in and around this place.
- Opportunity for expansion through Joint Venture in other parts of India and abroad.
- Large export potential for Company's international standard quality products at competitive prices.
- The Company's products and high quality services receive wide acceptance in India and abroad due to International Standards Organisation (ISO) certifications obtained by the Company.
- "Brand equity" of the Company is perceivably high.
- With the passage of time entertainment is becoming a way of life

Threats

- Development of similar large parks in the city eg. Eco Park.
- Increase in operational cost due to change in Statutory Govt. policies including rates, taxes, etc.
- Park business is seasonal.
- The in-house engineering team executes all internal & external projects. Dependency of external project business performance is on order availability, which may be highly cyclic.
- Alternative indoor entertainment options like Multiplexes, Malls etc.

C. Segment-wise Performance

a. Park Operation

Nicco Park was set up in 1991, till date over 33 million guests have visited this theme amusement park. Your company is proud to associate itself with the 'City of Joy' and boasts of being the only wholesome family entertainment cum amusement destination in East India.

Nicco Park's educative & wholesome recreational initiative is the concept that families should not only have a fun-filled experience but also have learned something during their time at the park. The nostalgia and the rides bring people and families here striking a connection formed through generations of fun passed down through every adrenaline filled scream.

We enjoy patronage from large number of visitors from Kolkata and the neighboring rural areas bordering Kolkata. The popularity of the park lies not only from our unstinted services provided by our untiring staff, but also in the understanding and satisfying different consumer needs at different price points.

To maintain novelty of the Park and to increase repeat visits the Company is continuously adding new rides, attractions, facilities and events. During the year under review the 'Happy Circus Mirror Maze' (Mirror Maze) was inaugurated by the children visitors in presence Sheroo & his friends on December 15, 2017 in a gala event at 'Nicco Parks'. Your company also added two new rides in the water park namely the 'Water Toy Ride' and 'Rainbow Slide' both were well received by the visitors.

Market Research Data indicates that your Company has about 60% repeat visitors. With such high level of customer loyalty, there is a business compulsion to constantly re-invent ourselves to add new attractions, to conduct low cost high profile events and to carry out various sales promotions to benefit and attract the visitors.

During the year under review the Total Income was ₹ 4880 lakhs as against ₹ 4693 lakhs in the corresponding previous year registering a growth of approximately 4%. The overall annual footfall of the Park including Bowler's Den, Nicco Super Bowl and Other Recreation Facilities was 12.16 lakhs compared to 12.14 lakhs in 2016-17. Cumulative Per Capita Contribution in Main Park and Water Park was ₹ 274 during the financial year 2017-2018. In spite of intense competition from Eco Park, Science City & Alipore Zoological Garden (Zoo) during the peak months from December, 2017 to February, 2018, the Profit Before Tax stood at ₹ 887 lakhs a marginal increase of around 6% compared to previous financial year attributed to the aggressive marketing, healthy increase in the sale of Food & Beverage and change in pricing policy.

b. Consultancy, Contract and Sale of Ride Components

Having gathered immense experience in maintaining and running amusement parks, the Company has diversified into extending overall consultancy for setting up theme parks and water parks in addition to engineering, manufacturing and supply of amusement park's rides. Company also undertakes turnkey contracts for setting up composite amusement park and Water Park from concept to commissioning. Nicco Park being "One Stop Shop" for setting up parks has good potential for such business in future. Nicco Park has till date set up 10 amusement park and 5 water park facilities in India & abroad including two composite (amusement + water) parks in Bangladesh. Enquiries of proposals for setting up the complete park on turnkey basis are also received from time to time.

Your Company's products and services are expected to receive wide acceptance in India & abroad as it has obtained 3 major certifications such as ISO 9001:2015 (Quality Management System), ISO 14001:2015 (Environmental Management System), OHSAS 18001:2007 (Occupational Health & Safety Management System).

During the year under review 'Income from Projects' was ₹ 177 lakhs.

Your Company is also exploring the possibility of working together in some of the large theme park coming up in India and also signed Non-Disclosure Agreement with a few international renowned companies in the field of Amusement park rides and attractions manufacture.

c. Others

Due to its ever increasing demand, the interiors of Nicco Super Bowl were restructured, Bowler's Den, Bar-cum-Restaurant was also refurbished during this year. Acknowledged as a family dining center, its locational advantage, atmosphere, ambience and multi cuisines have made it very popular to the locals of Salt Lake area and to the workforce from Information Technology, BPO, Call Centre and Electronics Industry located in the close proximity. Incomes from other recreational facilities have increased substantially over the last few years. During the year under review the 'Income from Other Recreation Facilities' and food and beverage stood at Rs. 1293 Lakhs.

D. Outlook

Sustainable, profitable growth can only be achieved with the right people working in an organisation that is fit to win, with a culture in which performance is aligned with values. We are building capability and leadership among our people and attracting some of the best talent in the market place. Profitable volume growth allows us to optimise the utilisation of our infrastructure and spread fixed costs, reducing the average cost per unit. It improves our profitability and allows us to invest in the business.

With aggressive marketing schemes to increase footfall, good number of booking for events and with an emphasis on increasing Food & Beverage sales, barring any unforeseen circumstances, your company looks to the future with confidence.

E. Risks and Concerns

“Visitors’ safety” being of utmost concern, your Company continuously ensures high quality maintenance of all its rides and attractions. Apart from conducting daily inspection and ensuring the operational safety of the rides by in-house engineering team, periodic third party inspections are also conducted by renowned firms like Westlake Engineering Limited, UK; TUV India Pvt. Ltd.& SGS India Pvt. Ltd.

The entertainment provided by your Company is interactive and participative in nature and faces competition from various other forms of entertainment in the leisure industry. The business has seasonality and being outdoor, climatic conditions have a bearing on its success. Sponsorship earnings also depend upon overall business conditions of various industries within the country.

With respect to project operations, although there are several renowned and reputed companies in the field worldwide who have a domineering presence, India has a cost advantage, which your Company is attempting to leverage. However, the Consultancy, Contracts and Sale of components for rides are also subject to variation depending upon the number of contracts.

Recognizing the needs associated with the various facets of the business of your Company, it had already formulated a Risk Management Framework in consultation with various functional heads to identify, assess and mitigate the major areas of risk associated with the business of the Company. The Risk Management Framework is reviewed by the Audit Committee and Board of Directors on a regular basis.

F Internal Control Systems and their Adequacy

Your Company has adequate internal procedures commensurate with the Company’s size and nature of business. The objective of these procedures are to ensure efficient use and protection of the Company’s resources, accuracy in financial reporting and due compliance of statutes and Company procedures.

The existing system provides for structured work instructions, clearly laid down procedures of authorizations and approvals for purchase and sale of goods and services, reserved responsibility of custodial control with identified personnel, and use of computerized systems to ensure controls at source. Internal Audit is done by an external agency. Post audit checks and reviews are carried out to ensure follow up on the observations made by the audit teams. The Internal Audit reports, the progress in implementation of recommendations contained in such reports and the adequacy of internal control systems are reviewed by the Audit Committee of the Board in its periodical meetings.

G. Financial & Operational Performance

Your Company has adopted Indian Accounting Standard (referred to as ‘Ind-AS’), with effect from 1st April, 2017 for periods upto and including the year ended 31st March, 2018, further, in accordance with the Rules, the company had also restated its Balance Sheet as at 1st April, 2016 as per Ind-AS and the figures for the year ended 31st March, 2017 is as per Ind-AS.

There are no material departures in adoption of the prescribed accounting standards. The estimates and judgments relating to the financial statements have been made on a reasonable basis, so that the financial statements reflect the form and substance of transactions in a true and fair manner, and reasonably represent the Company’s state of affairs and profit for the year.

Your company is in the business of leisure and entertainment and is providing interactive, participative and educative form of entertainment with its amusement park in Kolkata for wholesome recreation for the families. Set up in 1991, over 33 million guests visited this theme amusement park during the last 27 years.

H. Human Resources Management

Ours is a continuous quest to offer the finest guest experience and we are constantly reinventing ourselves in a sector that is on the move. People power is one of the pillars of our success.

Your Company firmly believes that its greatest strength lies in the quality of its manpower. The Company’s “people philosophy” has given it a competitive edge as its guests are served by bright, enthusiastic and committed employees who anticipate guest’s needs and deliver exceptional service with genuine warmth.

There is a conscious effort on the part of the management to develop the Knowledge, Skills and Attitudes of its people through a variety of training interventions specifically aimed at an individual’s need with a specific thrust on enhancing functional / domain knowledge across disciplines.

Employee – Management relations remained cordial through 2017-18. As on 31st March, 2018 number of people employed by the Company was 232. The IR situation continues to be peaceful.

I Cautionary Statement

Statements in the Management Discussion and Analysis Report in regard to projections, estimates and expectations have been made in good faith. Many unforeseen factors may come into play and affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. INDEPENDENT AUDITOR'S REPORT

To The Members of
Nicco Parks & Resorts Limited

Report on the Standalone Ind AS Financial Statements

1. We have audited the accompanying standalone Ind AS financial statements of NICCO PARKS & RESORTS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative announcements issued by Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.
5. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matter

7. The corresponding financial information of the Company as at and for the year ended 31st March, 2017 and the transition date opening balance sheet as at 1st April, 2016 included in these Ind AS financial statements, are based on the previously issued financial statements for the years ended 31st March, 2017 and 31st March, 2016, prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion vide our audit report dated 10th May, 2017 and 18th May, 2016 respectively which is also explained in Note no 50 to the attached financial statements. These financial statements

have been adjusted for differences in accounting principles to comply with Ind AS and such adjustments on transition to Ind AS which has been approved by the Company's Board of Directors have been audited by us.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
9. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements as stated in note 38(b) to the financial statement;

Annexure - B To The Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of NICCO PARKS & RESORTS LIMITED ("the Company") as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- (i) Financial assets and liabilities that is measured at Fair value/ Amortised cost;
- (ii) Plan assets under defined benefit plans - Measured at fair value.

2.3 Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company’s functional currency. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.5 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1”Presentation of Financial Statements”.The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.6 Summary Of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

a Property, plant and equipment

- i) Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- ii) Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

Notes on Standalone Financial Statements for the year ended 31st March, 2018

- iii) In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- iv) Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as Capital Advances under other non-current assets.
- v) Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.
- vi) Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- vii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- viii) The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

Subsequent Expenditure

- i) Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- ii) Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

b Depreciation on Property, plant and equipment

- i) Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

- ii) Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

c Intangible Assets

- i) Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any
- ii) Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight

Notes on Standalone Financial Statements for the year ended 31st March, 2018

line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

- iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

d Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i) Finance leases:

- A. Lease where the company has substantially transferred all the risks and rewards of ownership of the related assets are classified as finance leases. Assets under finance leases are capitalised at the commencement of the lease at the lower of the fair value or the present value of Minimum lease payments and a liability is created for an equivalent period. Each lease rental paid is allocated between the liability and interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- B. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease

ii) Operating Leases:

The leases which are not classified as finance lease are operating leases.

- A. Lease rentals on assets under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.
- B. Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised based on a straight line basis over the term of the relevant lease.

e Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

f Foreign Currency Transactions

Functional currency

The functional currency of the company is Indian Rupees ('INR'). These financial statements are presented in Indian Rupees and all the values are rounded to the nearest lakhs, except otherwise indicated.

Transactions and translations

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

g Inventories

- i) Inventories other than Contract Work in Progress, are valued at lower of Cost of Net Realisable Value and is computed on FIFO Basis.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Notes on Standalone Financial Statements for the year ended 31st March, 2018

- ii) Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

h Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and revenue can be reliably measured, regardless of when the payment is being made. Advances received for services and products are reported as customer deposits until all conditions for revenue recognition are met.

A. Sale of Products

Revenue from the sale of products is recognized when significant risks and rewards of ownership are transferred to customers and the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates.

(i) Construction Contract

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined. Cost and earnings in excess of billings are classified as unbilled revenue while billing in excess of cost and earnings is classified as unearned revenue.

B. Sale of Services

Revenue from rendering services is recognised when the performance of agreed contractual task has been completed.

(i) Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. The accounting policy for recognizing revenue from sale of Passes/Fun Tickets-Annual Membership with all days validity which are Non-Refundable in nature are recognized when Passes/ Tickets are sold.

(ii) Recreational Facility Income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

C. Barter Transactions

The company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter Transaction by taking reference to a non barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

D. Dividend income

Dividend incomes from investments are recognized when the Company's right to receive the payment of the same is established by the Balance Sheet date.

E. Interest Income

Interest income from financial assets is recognised using effective interest rate method.

i Government Grant

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company

Notes on Standalone Financial Statements for the year ended 31st March, 2018

recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

j Income Taxes

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

- (i) Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- (ii) Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- (iii) Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- (iv) The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- (v) Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- (vi) Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

k Earnings per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l Provisions, Contingent Liability & Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is neither recognized nor disclosed.

m Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

n Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement/ balance sheet comprise of cash and cheques on hand, cash at

Notes on Standalone Financial Statements for the year ended 31st March, 2018

bank including short term deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o Retirement and other employee benefits

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable to the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.
- (ii) The Company's obligation towards gratuity, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

- (iii) Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long term employee benefit for measurement purposes. Such long term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

p Financial Instruments

Financial Assets

A. Initial recognition and measurement

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Measured at Amortized Cost;
- (b) Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- (c) Measured at Fair Value Through Profit or Loss (FVTPL); and
- (d) Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

a) Financial assets carried at amortised cost (AC)

A debt instrument is measured at the amortized cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
- ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method."

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A debt instrument is measured at the FVTOCI if both the following conditions are met:

- i) The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- ii) The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are

Notes on Standalone Financial Statements for the year ended 31st March, 2018

subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

c) **Financial assets at fair value through profit or loss (FVTPL)**

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

C. Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

D. Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

E. Investments in Associates

The Company has accounted for its Investments in Associates at cost.

F. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss , except for those equity investments for which the Company has elected to to present the value changes in “Other Comprehensive Income.

Financial Liabilities:

A. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of Loans & Borrowings and payables, net of directly attributable cost.

B. Subsequent measurement

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

C. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

D. Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

q Operating Segment

The identification of operating segment is consistent with performance assessment and resource allocation by the chief operating decision maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the

Notes on Standalone Financial Statements for the year ended 31st March, 2018

Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the chief operating decision maker to make decisions about resources to be allocated to the segments and assess their performance.

r Measurement of Fair Value

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (b) Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (c) Level 3 — Inputs which are unobservable inputs for the asset or liability.

s Standards Issued but not yet effective

Ind AS 115-Revenue from Contracts with Customers

Ind AS 115-Revenue from Contracts with Customers-The Ministry of Corporate Affairs (MCA) on March 28, 2018 has notified new Indian Accounting Standard as mentioned above. The new standard will come into force from accounting period commencing on or after April 01, 2018. It replaces existing recognition guidance, including Ind AS 18 Revenue and Ind AS 11 Construction contract. The standard is likely to affect the measurement, recognition and disclosure of revenue. The Company has evaluated and there is no material impact of this amendment on the Financial Statement of the Company except disclosure. The Company will adopt the Ind AS 115 on the required effective date.

Ind AS 21, The Effect of Changes in Foreign Exchange Rates -

The amendments to Ind AS 21 addresses issue to determine the date of transactions for the purpose of determining the exchange rate to be used on initial recognition of related assets, expenses or income when entity has received or paid advances in foreign currencies by incorporating the same in Appendix B to Ind AS 21. The amendment will come into force from accounting period commencing on or after April 01, 2018. The Company has evaluated this amendment and impact of this amendment will not be material.

t Significant Judgements and Key sources of Estimation in applying Accounting Policies

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- i) Recognition of Deferred Tax Assets : The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- ii) Useful lives of depreciable/ amortisable assets (tangible and intangible) : Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

Notes on Standalone Financial Statements for the year ended 31st March, 2018

- iii) **Defined Benefit Obligation (DBO)** : Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- iv) **Provisions and Contingencies** : The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
- v) **Impairment of Financial Assets** : The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- vi) **Allowances for Doubtful Debts** : The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- vii) **Fair value measurement of financial Instruments** : When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

16.5 Nature & purpose of Other Reserves:

Security Premium: Securities premium reserve represents premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013

General Reserve: Under the erstwhile Companies act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn

Retained Earnings: This reserve represents the cumulative profits of the Company and effects of remeasurements of defined benefit obligations. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013

Items of other Comprehensive Income:

Re measurement of defined benefit plans: Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurements recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and loss.

Equity Instrument through Other Comprehensive Income: This represents the cumulative gains and losses arising on the revaluation of Equity Instruments measured at fair value through Other Comprehensive Income, under an irrevocable option, net of amounts reclassified to retained earning when such assets are disposed of.

B. Fair Value Hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted

Notes on Standalone Financial Statements for the year ended 31st March, 2018

pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

Levels	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
As at 31st March, 2018			
Investment in Unquoted Equity Shares	–	–	382.91
Investment in Mutual Funds	869.95	–	–
As at 31st March, 2017			
Investment in Unquoted Equity Shares	–	–	382.70
Investment in Mutual Funds	102.83	–	–
As at 1st April, 2016			
Investment in Unquoted Equity Shares	–	–	380.93
Investment in Mutual Funds	44.45	–	–

There are no transfer between levels during the year.

The carrying value of trade receivables, trade payables, cash and cash equivalents, loans, borrowings and other current financial assets and liabilities approximate their fair values largely due to the short-term maturities.

48. Financial risk management objectives and policies

The Company's activities expose it to the following risks:

- a) Credit risk
- b) Liquidity risk
- c) Market risk
- a) Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments and other financial instruments. Outstanding customer receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivable disclosed in Note no. 9

b) Liquidity risk

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

- c) Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, trade receivable and trade payable. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

49 First Time Adoption

These financial statements, for the year ended 31 March 2018, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with generally accepted accounting principles in India (Previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on or after 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening statement of financial position was prepared as at 1 April 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Previous GAAP financial statements as at 1 April 2016 and the financial statements as at and for the year ended 31 March 2017.

Exceptions and Exemptions Applied

IND AS 101 "First-time adoption of Indian Accounting Standards" (hereinafter referred to as Ind AS 101) allows first time adopters certain mandatory exceptions and optional exemptions from the retrospective application of certain IND AS, effective for 1st April, 2016 opening balance sheet. In preparing these Standalone financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

I. Applicable Mandatory Exceptions

(i) Estimates

As per para 14 of Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

(ii) Classification and measurement of financial assets

Para B8 - B8C of Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortized cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.

II. Optional Exemptions Availed

(i) Property Plant and Equipment and Intangible Assets

As permitted by para D5-D8B of Ind AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

(ii) Determining whether an arrangement contains a Lease

Para D9-D9AA of Ind AS 101 includes an optional exemption that permits an entity to apply the relevant requirements in Appendix C of Ind AS 17 "Leases" for determining whether an arrangement existing at the date of transition contains a lease by considering the facts and circumstances existing at the date of transition (rather than at the inception of the arrangement). The Company has applied the above transitional provision and has assessed all the arrangements at the date of transition.

Notes on Standalone Financial Statements for the year ended 31st March, 2018

(iii) Investments in Associates

As permitted by para D14 & D15 of Ind AS 101, the Company has elected to measure the investments in equity shares of associates at Deemed Cost calculated at the previous GAAP carrying amount as on the date of transition, as the company has elected to measure such investments at Cost under Ind AS 27 "Separate Financial Statements.

50 (v) Notes to the reconciliation of Balance Sheet & Equity as at April 1, 2016 and March 31, 2017 and Profit or Loss for the year ended March 31, 2017.

I) Long term borrowings

Under IGAAP, the Company accounted for long term borrowings measured at transaction value. Under Ind AS, the Company has recognised the long term borrowings at amortised cost using effective interest rate (EIR).

II) Financial Instruments

(a) Equity investments measured at FVOCI

Under IGAAP, investments in long term equity instruments were carried at cost less provision for other than temporary decline in the value of such investments. Under IND AS, the same has been accounted as Fair value through Other Comprehensive income.

(b) Investment in Mutual Funds measured at FVTPL

Under IGAAP, current investments were carried at lower of cost or net realisable value. Under IND AS, the same has been measured at fair value through Profit and Loss

(c) Security Deposit

Under IGAAP, Security deposit received from licensee were accounted at their carrying value. Under IND AS, the Company has initially recognised security deposit at fair value and subsequently at amortised cost as per IND AS 109.

III) Dividend

Under IGAAP, proposed dividends including Dividend Distribution Taxes (DDT) are recognized as a liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognized as a liability in the period in which it is declared by the company (usually when approved by shareholders in a general meeting) or paid. Therefore liability

Notes on Standalone Financial Statements for the year ended 31st March, 2018

recorded for Proposed dividend including DDT has been derecognised against retained earnings as at 01.04.2016.

IV) Deferred Revenue

Under IGAAP, grants received from government agencies against Property, Plant and Equipment was accounted as “Capital Reserve” under Reserve and Surplus. Under IND AS, the same has been presented as deferred revenue grant under Other liabilities and is being amortised in the statement of profit & loss on a systematic basis.

V) Deferred tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

In addition, the various transitional adjustments lead to temporary differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.

VI) Leases

Under IGAAP, the Company had capitalised site development expenses as leasehold land under Property, Plant and Equipment and the same was being amortised over the lease period of 33 years from 2nd March, 1990. Under INDAS, the lease has been classified as operating lease as per IND AS-17, and the balance amount as on transition date has been reclassified as Prepaid Lease rentals which shall be subsequently charged to the Statement of Profit and loss over the remaining lease period

VII) Re-classifications

- a) Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability.
- b) Remeasurement gain/loss on long term employee defined benefit plans are re-classified from statement of profit and loss to OCI.

51 Previous GAAP figures have been reclassified / regrouped to conform to the presentation requirements under IND AS and the requirements laid down in Schedule-III (Division -II) of the Companies Act, 2013.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Nicco Parks & Resorts Limited

Report on The Consolidated Ind as Financial Statements

1. We have audited the accompanying consolidated Ind AS financial statements of NICCO PARKS & RESORTS LIMITED (hereinafter referred to as "the Holding Company") and its associates, comprising the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

Management's Responsibility for the Consolidated Ind as Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss (financial performance including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Holding Company including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. The respective Board of Directors of the Holding Company including its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company including its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
4. We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative announcements issued by Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by other auditor in terms of their report referred to in the paragraph 8 of the "Other Matters" below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements of the associates referred to below in the other matters paragraph, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Holding Company including its associates as at 31st March, 2018, and their Consolidated profit (including Consolidated total comprehensive income), their Consolidated cash flows and the Consolidated statement of changes in equity for the year ended on that date.

Other Matters

8. The consolidated financial statements also include the Holding company's share of net loss of Rs. 0.03 lakhs for the year ended 31st March, 2018, as considered in the consolidated financial statements, in respect of 1(one) associate, whose financial statements have not

been audited by us. We have also not audited the financials of 1(one) associate whose share of profit has not been considered for the reasons stated in Note 46(b) of the consolidated IND AS financial statements. These financial statements have been audited by other auditor whose report have been furnished to us by the management and our opinion on the Consolidated Ind AS financial statement, in so far as it related to the amounts and disclosure included in respect of these associates and our report in terms of sub section 2 of section 143 of the Act, in so far as it relates the aforesaid associates, is based solely on the reports of the other auditors.

9. The corresponding Consolidated financial information of the Holding Company and its associates as at and for the year ended 31 March, 2017 and the transition date opening Consolidated balance sheet as at 1st April, 2016 included in these Consolidated Ind AS financial statements, are based on the previously issued Consolidated financial statements for the years ended 31st March, 2017 and 31st March, 2016, prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion vide our audit report dated 10th May, 2017 and 18th May, 2016 respectively which is also explained in Note no xx to the attached consolidated financial statements. These Consolidated financial statements have been adjusted for differences in accounting principles to comply with Ind AS and such adjustments on transition to Ind AS which has been approved by the Company's Board of Directors have been audited by us.

Our opinion is not modified in respect of the above matters.

Report On Other Legal And Regulatory Requirements

10. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the associates referred to in the other matter paragraph above, we report, to the extent applicable that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
 - In our opinion, proper books of account as required by law relating to the preparation of aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and report of the other auditor.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the Consolidated Ind AS financial statements.
 - In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of statutory auditors of its associates, none of the directors of Holding Company and its associates are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its associates and the operating effectiveness of such controls refer to our separate Report in "Annexure A", which is based on the audit reports of the Holding Company and reports of the statutory auditors of its associates. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding Company and its associates internal financial controls over financial reporting.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Holding Company and its associates has disclosed the impact of pending litigations on its financial position in its consolidated financial statements as stated in note 38(b) to the financial statements;
 - The Holding Company and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts;
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
 - The disclosures in the consolidated financial statements regarding holdings as well as dealings in specified bank notes during the period from 8th November 2016 to 30th December 2016 have not been made since they do not pertain to the financial year ended 31st March 2018.

Annexure - A to The Independent Auditor's Report

The annexure referred to in paragraph 10 (f) under the heading "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's Report of even date in respect to the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") of M/s Nicco Parks & Resorts Limited for the year ended 31st March 2018, we report that:

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of the Holding Company. Based on comments made by the independent auditors of the Associate companies with respect to the internal financial controls over financial reporting as required in terms of sub-section (3)(i) of section 143 of the Act, we report as under:

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its associates are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's and its associates internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters Paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's and its associates internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associates have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the

internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 2 (two) Associate companies, is based on the corresponding reports of the auditors of such companies.

"The financial Statements for all periods up to and including the year ended 31 March 2017, were prepared in accordance with the accounting standards notified under Section 133 of the Companies Act 2013, read with Rule 7 of The Companies (Accounts) Rules, 2014, the Companies Act, 2013 and in accordance with the Generally Accounting Principal in India. These financial statements for the year ended 31 March 2018 are the first the Company has prepared in accordance with Indian Accounting Standards ("Ind-AS"). Further, in accordance with the Rules, the Company has restated its Balance Sheet as at 1st April 2016 also as per Ind-AS. For preparation of opening balance sheet under Ind-AS as at April 1, 2016, the Company has availed exemptions and first time adoption policies in accordance with Ind-AS 101 "First-time Adoption of Indian Accounting Standards", the details of which have been explained thereof in Note 50 to the financial statements.

The financial statements for the year ended 31st March, 2018 has been approved by the company's Board of Director's at their meeting held on 17th May, 2018.

2.2 Basis of Measurement

The financial statements have been prepared on historical cost convention on accrual basis except for following assets and liabilities which have been measured at fair value or revalued amount:

- (i) Financial assets and liabilities that is measured at Fair value/ Amortised cost;
- (ii) Plan assets under defined benefit plans - Measured at fair value.

2.3 Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.5 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 "Presentation of Financial Statements". The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.6 Summary Of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

a Property, plant and equipment

- i) Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- ii) Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

- iii) In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- iv) Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as Capital Advances under other non-current assets.
- v) Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.
- vi) Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- vii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- viii) The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

Subsequent Expenditure

- i) Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- ii) Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

b Depreciation on Property, plant and equipment

- i) Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

- ii) Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

c Intangible Assets

- i) Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any
- ii) Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

- iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

d Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i) Finance leases:

- A. Lease where the company has substantially transferred all the risks and rewards of ownership of the related assets are classified as finance leases. Assets under finance leases are capitalised at the commencement of the lease at the lower of the fair value or the present value of Minimum lease payments and a liability is created for an equivalent period. Each lease rental paid is allocated between the liability and interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- B. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease

ii) Operating Leases:

The leases which are not classified as finance lease are operating leases.

- A. Lease rentals on assets under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.
- B. Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised based on a straight line basis over the term of the relevant lease.

e Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

f Foreign Currency Transactions

Functional currency

The functional currency of the company is Indian Rupees ('INR'). These financial statements are presented in Indian Rupees and all the values are rounded to the nearest lakhs, except otherwise indicated.

Transactions and translations

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

g Inventories

- i) Inventories other than Contract Work in Progress, are valued at lower of Cost of Net Realisable Value and is computed on FIFO Basis.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

- ii) Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

h Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and revenue can be reliably measured, regardless of when the payment is being made. Advances received for services and products are reported as customer deposits until all conditions for revenue recognition are met.

A. Sale of Products

Revenue from the sale of products is recognized when significant risks and rewards of ownership are transferred to customers and the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates.

(i) Construction Contract

Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined. Cost and earnings in excess of billings are classified as unbilled revenue while billing in excess of cost and earnings is classified as unearned revenue.

B. Sale of Services

Revenue from rendering services is recognised when the performance of agreed contractual task has been completed.

(i) Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. The accounting policy for recognizing revenue from sale of Passes/Fun Tickets-Annual Membership with all days validity which are Non-Refundable in nature are recognized when Passes/ Tickets are sold.

(ii) Recreational Facility Income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

C. Barter Transactions

The company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter Transaction by taking reference to a non barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

D. Dividend income

Dividend incomes from investments are recognized when the Company's right to receive the payment of the same is established by the Balance Sheet date.

E. Interest Income

Interest income from financial assets is recognised using effective interest rate method.

i Government Grant

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

j Income Taxes

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

- (i) Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- (ii) Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- (iii) Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- (iv) The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- (v) Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- (vi) Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

k Earnings per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l Provisions, Contingent Liability & Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economics benefits is remote. A contingent asset is neither recognized nor disclosed.

m Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

n Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement/ balance sheet comprise of cash and cheques on hand, cash at

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

bank including short term deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o Retirement and other employee benefits

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable to the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.
- (ii) The Company's obligation towards gratuity, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

- (iii) Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long term employee benefit for measurement purposes. Such long term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

p Financial Instruments

Financial Assets

A. Initial recognition and measurement

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Measured at Amortized Cost;
- (b) Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- (c) Measured at Fair Value Through Profit or Loss (FVTPL); and
- (d) Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

a) Financial assets carried at amortised cost (AC)

A debt instrument is measured at the amortized cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
- ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method."

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A debt instrument is measured at the FVTOCI if both the following conditions are met:

- i) The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- ii) The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

c) **Financial assets at fair value through profit or loss (FVTPL)**

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

C. Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

D. Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

E. Investments in Associates

The Company has accounted for its Investments in Associates at cost.

F. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss , except for those equity investments for which the Company has elected to to present the value changes in “Other Comprehensive Income.

Financial Liabilities:

A. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of Loans & Borrowings and payables, net of directly attributable cost.

B. Subsequent measurement

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

C. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

D. Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

q Operating Segment

The identification of operating segment is consistent with performance assessment and resource allocation by the chief operating decision maker. An operating segment is a component of the Company that engages in business activities from which it may earn

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the chief operating decision maker to make decisions about resources to be allocated to the segments and assess their performance.

r Measurement of Fair Value

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (b) Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (c) Level 3 — Inputs which are unobservable inputs for the asset or liability.

s Standards Issued but not yet effective

Ind AS 115-Revenue from Contracts with Customers

Ind AS 115-Revenue from Contracts with Customers-The Ministry of Corporate Affairs (MCA) on March 28, 2018 has notified new Indian Accounting Standard as mentioned above. The new standard will come into force from accounting period commencing on or after April 01, 2018. It replaces existing recognition guidance, including Ind AS 18 Revenue and Ind AS 11 Construction contract. The standard is likely to affect the measurement, recognition and disclosure of revenue. The Company has evaluated and there is no material impact of this amendment on the Financial Statement of the Company except disclosure. The Company will adopt the Ind AS 115 on the required effective date.

Ind AS 21, The Effect of Changes in Foreign Exchange Rates -

The amendments to Ind AS 21 addresses issue to determine the date of transactions for the purpose of determining the exchange rate to be used on initial recognition of related assets, expenses or income when entity has received or paid advances in foreign currencies by incorporating the same in Appendix B to Ind AS 21. The amendment will come into force from accounting period commencing on or after April 01, 2018. The Company has evaluated this amendment and impact of this amendment will not be material.

t Significant Judgements and Key sources of Estimation in applying Accounting Policies

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- i) Recognition of Deferred Tax Assets : The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- ii) Useful lives of depreciable/ amortisable assets (tangible and intangible) : Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

- iii) **Defined Benefit Obligation (DBO)** : Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- iv) **Provisions and Contingencies** : The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
- v) **Impairment of Financial Assets** : The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- vi) **Allowances for Doubtful Debts** : The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- vii) **Fair value measurement of financial Instruments** : When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

16.5 Nature & purpose of Other Reserves:

Security Premium: Securities premium reserve represents premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013

General Reserve: Under the erstwhile Companies act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn

Retained Earnings: This reserve represents the cumulative profits of the Company and effects of remeasurements of defined benefit obligations. This reserve can be utilised in accordance with the provisions of the Companies Act, 2013

Items of other Comprehensive Income:

Re measurement of defined benefit plans: Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in Other Comprehensive Income (OCI) in the period in which they occur. Remeasurements recognised in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and loss.

Equity Instrument through Other Comprehensive Income: This represents the cumulative gains and losses arising on the revaluation of Equity Instruments measured at fair value through Other Comprehensive Income, under an irrevocable option, net of amounts reclassified to retained earnings when such assets are disposed of.

B. Fair Value Hierarchy

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities

Level 2: Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

Levels	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
As at 31st March, 2018			
Investment in Unquoted Equity Shares	–	–	382.91
Investment in Mutual Funds	869.95	–	–
As at 31st March, 2017			
Investment in Unquoted Equity Shares	–	–	382.70
Investment in Mutual Funds	102.83	–	–
As at 1st April, 2016			
Investment in Unquoted Equity Shares	–	–	380.93
Investment in Mutual Funds	44.45	–	–

There are no transfer between levels during the year.

The carrying value of trade receivables, trade payables, cash and cash equivalents, loans, borrowings and other current financial assets and liabilities approximate their fair values largely due to the short-term maturities.

49. Financial risk management objectives and policies

The Company's activities expose it to the following risks:

- a) Credit risk
- b) Liquidity risk
- c) Market risk

a) **Credit Risk**

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments and other financial instruments. Outstanding customer receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivable disclosed in Note no. 9

- b) **Liquidity risk**

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

- c) Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, trade receivable and trade payable. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

50 First Time Adoption

These financial statements, for the year ended 31 March 2018, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with generally accepted accounting principles in India (Previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on or after 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening statement of financial position was prepared as at 1 April 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Previous GAAP financial statements as at 1 April 2016 and the financial statements as at and for the year ended 31 March 2017.

Exceptions and Exemptions Applied

IND AS 101 "First-time adoption of Indian Accounting Standards" (hereinafter referred to as Ind AS 101) allows first time adopters certain mandatory exceptions and optional exemptions from the retrospective application of certain IND AS, effective for 1st April, 2016 opening balance sheet. In preparing these Standalone financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

I. Applicable Mandatory Exceptions

(i) Estimates

As per para 14 of Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

(ii) Classification and measurement of financial assets

Para B8 - B8C of Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortized cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.

II. Optional Exemptions Availed

(i) Property Plant and Equipment and Intangible Assets

As permitted by para D5-D8B of Ind AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

(ii) Determining whether an arrangement contains a Lease

Para D9-D9AA of Ind AS 101 includes an optional exemption that permits an entity to apply the relevant requirements in Appendix C of Ind AS 17 "Leases" for determining whether an arrangement existing at the date of transition contains a lease by considering the facts and circumstances existing at the date of transition (rather than at the inception of the arrangement). The Company has applied the above transitional provision and has assessed all the arrangements at the date of transition.

(iii) Investments in Associates

As permitted by para D14 & D15 of Ind AS 101, the Company has elected to measure the investments in equity shares of associates at Deemed Cost calculated at the previous GAAP carrying amount as on the date of transition, as the company has elected to measure such investments at Cost under Ind AS 27 "Separate Financial Statements".

51 (v) Notes to the reconciliation of Balance Sheet & Equity as at April 1, 2016 and March 31, 2017 and Profit or Loss for the year ended March 31, 2017.

I) Long term borrowings

Under IGAAP, the Company accounted for long term borrowings measured at transaction value. Under Ind AS, the Company has recognised the long term borrowings at amortised cost using effective interest rate (EIR).

II) Financial Instruments

(a) Equity investments measured at FVOCI

Under IGAAP, investments in long term equity instruments were carried at cost less provision for other than temporary decline in the value of such investments. Under IND AS, the same has been accounted as Fair value through Other Comprehensive income.

(b) Investment in Mutual Funds measured at FVTPL

Under IGAAP, current investments were carried at lower of cost or net realisable value. Under IND AS, the same has been measured at fair value through Profit and Loss

(c) Security Deposit

Under IGAAP, Security deposit received from licensee were accounted at their carrying value. Under IND AS, the Company has initially recognised security deposit at fair value and subsequently at amortised cost as per IND AS 109.

III) Dividend

Under IGAAP, proposed dividends including Dividend Distribution Taxes (DDT) are recognized as a liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognized as a liability in the period in which it is declared by the company (usually when approved by shareholders in a general meeting) or paid. Therefore liability recorded for Proposed dividend including DDT has been derecognised against retained earnings as at 01.04.2016.

IV) Deferred Revenue

Under IGAAP, grants received from government agencies against Property, Plant and Equipment was accounted as "Capital Reserve" under Reserve and Surplus. Under IND AS, the same has been presented as deferred revenue grant under Other liabilities and is being amortised in the statement of profit & loss on a systematic basis.

V) Deferred tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

Notes on Consolidated Financial Statements for the year ended 31st March, 2018

In addition, the various transitional adjustments lead to temporary differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.

VI) Leases

Under IGAAP, the Company had capitalised site development expenses as leasehold land under Property, Plant and Equipment and the same was being amortised over the lease period of 33 years from 2nd March, 1990. Under INDAS, the lease has been classified as operating lease as per IND AS-17, and the balance amount as on transition date has been reclassified as Prepaid Lease rentals which shall be subsequently charged to the Statement of Profit and loss over the remaining lease period

VII) Re-classifications

Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability. b) Remeasurement gain/loss on long term employee defined benefit plans are re-classified from statement of profit and loss to OCI.

52 Previous GAAP figures have been reclassified / regrouped to conform to the presentation requirements under IND AS and the requirements laid down in Schedule-III (Division -II) of the Companies Act, 2013.
