State of Company Affairs as on March 31, 2020

During the year under review the Total Income was Rs. 5662 lakhs (Previous Year-Rs.5766 lakhs). Cumulative income from Main Park and Water Park taken together was Rs. 4437 lakhs (Previous Year-Rs.4427 lakhs), Income from Projects –Rs.89 lakhs (Previous Year-Rs.77 lakhs), and Income from Food & Beverages and Other Recreational facilities- Rs.995 lakh (Previous Year-Rs.1105 lakhs). Other unallocable income- Rs. 141 lakhs (Previous Year-Rs.157 lakhs).

Financial Year 2019-20 has been a challenging year for your company. Due to intense competition from low cost & subsidized amusement facilities in the city there was a sizeable drop in footfall which resulted in lower margins. In addition to weakening macro-economic conditions, slowing market growths and finally, COVID-19 outbreak and containment measures towards the end of the financial year have impacted our revenues. The World Health Organization declared Novel Coronavirus disease (COVID-19) as a global pandemic on March 11, 2020. On March 22, 2020, as COVID-19 spread rapidly, a complete lockdown was declared. The adverse reports carried by media relating to the pandemic followed by the health scare negatively impacted the visitor footfalls & consequently February & March, 2020 was extremely lean month in terms of footfalls.

The overall annual footfall of the Park including Bowler's Den, Nicco Super Bowl and Other Recreation Facilities was 11.77 lakhs compared to 13.20 lakhs in 2018-19. The footfall at the water park decreased to 3.91 Lakhs from 4.28 lakh visitors in the previous year.

The Standalone Profit for the year (after tax) was Rs.690 lakhs in comparison to Rs. 815 lakhs in the previous year, mainly attributed to intense competition from low cost & subsidized amusement facilities in the city. The Consolidated profit (after tax) for the year was Rs.746 lakhs.

During the year under review your company added novelties in form of new rides and attractions. The new 'Shoot the Bhoor'- Laser Thrill Ride was commissioned on December 19, 2019 for the visitors in a gala event at 'Nicco Parks'. The ride was well received by the visitors of the park.

Your park faced significant damages due to the 'Aamphan Cyclone on 20.05.2020'. Few rides in mainpark & waterpark were also damaged in addition to destruction of boundary walls and fences. Your company has adequate insurance cover and has submitted its claim to the insurance company.

During the year under review, there was no change in the nature of the business of the Company.

As a result of outbreak of COVID-19 & the consequent Government directives your park was shut to the visitors w.e.f 22.03.2020. Your company has permanently lost the footfall of the summer months, our biggest peak season. Leisure & entertainment industry is in a turbulent environment and we anticipate that our operations will be further impacted since families will avoid going to crowded places and travel will be restricted as our industry attracts children, youth and family in large numbers. There is a looming uncertainty as to how long, whether one year or more, before normalcy will be restored and our patrons start visiting your park in larger numbers. Initially, parks will have to operate at reduced capacity (25-40%) with an increased focus on social distancing norms. Amusement park business being driven by footfalls, your Directors anticipate substantial losses in the immediate & near future.

Dividend & Transfer to Reserves

The Board of Directors of the Company declared 3 interim dividends in financial year 2019-20 @ 20% per Equity share each (0.20 paisa on an Equity share of par value of Re 1 each) at its meetings held on 26th July, 2019, 31st October, 2019 and 12th February, 2020, respectively.

During the year under review the aggregate amount of Rs. 2,80,80,000 (excluding aggregate corporate dividend tax of Rs.57,72,000) was paid as Interim Dividends @ 60% per Equity share, (0.60 paisa on an Equity share of par value of Re 1 each) on 4,68,00,000 equity share to eligible shareholders.

Considering the need to conserve cash resources due to unprecedented situation of COVID – 19, the Board expresses its inability to declare a Final Dividend for FY 2019-20.

Your Directors have proposed to transfer an amount of Rs. 20 Lakhs (Rupees Twenty lakhs only) to the General Reserve of the company. The fund so transferred to the General Reserve will be used by the company for its growth and expansion in the future.

Consolidation of Financial Statements

In addition to the Standalone Financial Statements, we have in accordance with Section 129(3) of the Companies act 2013 read with rule (5) of companies Accounts, Rules, 2014 and IND-AS prepared Consolidated Financial Statements, for all its associates namely Nicco Jubilee Park Limited, Nicco Parks Leisure Projects Private Limited & Nicco Engineering Services Limited, which form part of this Annual Report. A separate statement in the Form AOC-1, containing the salient features of the financial statements of such Associate Companies prepared pursuant to Rule 5 of the Companies (Accounts) Rules, 2014, forms part of the Financial Statement.

Board of Directors

1. Composition of the Board

Your Company's Board is duly constituted and is in compliance with the requirements of the Companies Act, 2013, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and the Articles of Association of the Company. Notes:

- Ms. Nandini Chakravorty IAS & Mr. Kaushik Bhattacharya, IAS were appointed on the Board of Directors of the company w.e.f 12.02.2020, nominated by the Government of West Bengal, Department of Tourism and West Bengal Tourism Development Corporation Limited, respectively, in place of outgoing directors Mr. Atri Bhattacharya, IAS & Mr. Tanmay Chakrabarty, IAS.
- Mr. Atri Bhattacharya, IAS, Ms. Vandana Yadav, IAS & Mr. Tanmay Chakrabarty, IAS were appointed on the Board of Directors of the company w.e.f 26.07.2019 in place of outgoing directors Mr. A.R. Bardhan, IAS, Mr. Surendra Gupta, IAS & Mr. Chinna Murugan, IAS.
- Mr. Dipanker Chatterji & Ms. Nayantara Palchoudhuri were appointed as Independent Directors on the Board of the company w.e.f 26.07.2020 & 12.02.2020, respectively. Mr. Subodh Bhargava & Mr. Sunil Mitra, IAS (Retd), Independent Directors resigned from the Board on 01.04.2019 & 09.11.2019 respectively.
- The Hon'ble National Company Law Tribunal, Kolkata Bench ("NCLT"), in the matter of NICCO Corporation Ltd. (in Liquidation), in an application filed by the Liquidator being C.A.(IB)No.669/KB/2019 in C.P.(IB)No.03/KB/2017, vide its order dated 18th December, 2019, held that the Liquidator has the power to nominate directors and that NPRL is bound to act upon the proposal for replacement of the existing directors nominated by the Corporate Debtor, NICCO Corporation Ltd.

The Company challenged the impugned order of NCLT, Kolkata Bench before the Hon'ble National Company Law Appellate Tribunal, New Delhi ("NCLAT") in Company Appeal (AT) (INS) No.224 of 2020. Similar appeals were also filed by Mr. Rajive Kaul & Ms. Pallavi Priyadarshini Kaul. Vide a composite order dated 20th March, 2020 in Company Appeal (AT) (INS) No.224 of 2020, Company Appeal (AT) (INS) No. 44 of 2020 and Company Appeal (AT) (INS) No.1518 of 2019, the Hon'ble NCLAT dismissed the three appeals and held that the Liquidator is entitled to nominate the 'Directors' and the Appellant 'Nicco Park and Resorts Ltd.' (in Company Appeal(AT)(Ins) No. 224 of 2020/Respondent No.5 in C.A(IB) 669/KB/2019 is enjoined to act upon the replacement proposal of 'Corporate Debtor' (NICCO Corporation Ltd.).

Consequently, the Company appealed against the NCLAT order dated 20th March, 2020 before the Hon'ble Supreme Court of India. However, the Hon'ble Supreme Court of India dismissed the civil appeal on 21st July, 2020.

Thereafter, Mr. Rajive Kaul & Ms. Pallavi Kaul tendered their resignations to the Board w.e.f 22nd July, 2020. The Liquidator nominated, Ms. Mamta Binani (DIN: 00462925) and Ms. Swati Gautam (DIN: 00948430) to replace the outgoing Directors.

Material changes & commitments occurring after the end of financial year

The World Health Organization has declared Covid-19 outbreak as a pandemic. Responding to the threat Government of India has taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the country, from March 22, 2020. The lockdowns and restrictions imposed on various activities due to COVID-19 pandemic have posed challenges to the activities of your Company. Lockdown guidelines issued by Central/State governments mandated closure of your park w.e.f 22.03.2020 and your park continues to remain shut to its visitors till the date of this report. This has resulted in complete shutdown of the park operations of your Company. The Company expects the demand for its services to pick up at a slow pace once lockdown is lifted and recovery in business to be driven by removal of restricted movements / travel of the children, youth and family in large number to crowded places. This process may take a year or more to normalize. Initially, parks will have to operate at reduced capacity (25-40%) with an increased focus on social distancing norms. Amusement park business being driven by footfalls, your Directors anticipate substantial losses in the immediate & near future.

The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystallizes.

Save & except as aforementioned, there was no other material changes and/or commitments affecting the financial position of the Company occurred between the end of the financial year to which the attached financial statements relate to and upto the date of this report.

Conservation of energy & technology absorption

In view of long-run sustainability your Company's triple bottom line approach on economic, environmental and social returns had made the company more environmental conscious and it is now committed towards minimizing carbon foot-print and green house effects.

Your Company in order to reduce the energy costs and contribute to sustainability has installed a Solar Power plant of 115 KVA. The Solar plant was commissioned in December, 2019 and your company is already benefiting from the implementation of the said plant.

Although the operations of the company are not energy intensive, the management is highly conscious of the criticality of the conservation of energy at all operational levels and also for utilizing alternate sources of energy. Your Company is adopting various steps for the conservation of energy by adhering to strict norms it has prepared in ISO 9001:2015 (Quality Management System), ISO 14001:2015 (Environmental Management System), OHSAS 18001:2007 (Occupational Health & Safety Management System) manuals. Your company is committed to maintain an eco-friendly environment within the park.

Your Company is producing organic manure from the waste generated in the park and these are being used for its own horticulture and beautification of the park.

Your Company does not have any Technology Agreement.

Impact of COVID-19 & Future Prospects

Global economic growth is projected to contract sharply in the Financial Year 2020-2021, much worse than during the 2008-09 financial crisis. Rolling lockdowns and social distancing restrictions on account of the pandemic are expected to significantly impact economic activity in all major markets especially in Hospitality, Tourism & Amusement park sector leading to a severe demand & supply asymmetry. Job loss is the most severe & immediate impact of COVID-19 crisis while lower economic growth and rise in inequality would be the probable long-

term effects. In the immediate aftermath, organizations are expected to downscale various expansion projects, defer planned initiatives, cut costs and conserve cash. Companies will be more inclined to invest more towards building operational resilience, intelligent automation, hygiene & cleanliness and cyber security.

a. **Park operations & visitor footfalls:** - As a result of outbreak of COVID-19 and consequent to both Central & State Government directives your park shut all its operations w.e.f 22.03.2020. Your park continues to remain shut for its visitors as on the date of this report. The outbreak of COVID-19 was reported during mid February, 2020, adverse reports in media and the subsequent health scare drastically impacted footfalls in your park. The World Health Organization declared COVID-19 as a pandemic on March 11, 2020 consequent to which the Government took proactive steps to arrest the spread of the virus by declaring lockdown. It has now been around five months that we have not been able to open our gates for our visitors and we have already lost the summer months, our biggest peak season and our losses are mounting with each passing day. Furthermore, the Government has not advised us when we will be allowed to resume operations and be permitted to open our park.

b. **Rides & facilities:** Consequent to relaxation of the lockdown, the in-house engineering team was mobilised to periodically visit the park and carry out preventive maintenance and safety checks on our rides and facilities. The housekeeping department was also activated to carry out periodic cleaning and maintenance of the park and its facilities.

One of the temporary halls at the extreme corner of your park premises was also requisitioned by the local administrative authority to be converted into a quarantine facility to provide relief to the COVID affected.

c. **Operations & Profitability:-** Due to complete closure of the park operations the company has irretrievably lost the footfalls and the entire first quarter of financial year 2020-2021. The Turnover & Profit for the first quarter of financial year 2019-2020 was Rs. 1873 lakhs & Rs. 472 lakhs (before taxes) respectively, in comparison to Rs.156 lakhs & a net loss of (Rs.383) lakhs respectively, for the first quarter of 2020-2021. We have already lost our biggest peak season which is followed by a long off-season. Our losses continue to mount with each passing day as we approach closure of the second quarter of the financial year 2020-2021.

Your company is also witnessing overwhelming requests for cancellation of event bookings in addition to requests for waiver of fees from business associates and companies co-branding/sponsoring rides & facilities within your park.

Today it is the 'survival of the fittest' and for our business to continue, it is imperative that we focus more on our sustainability and responding to the challenges posed by the pandemic, on July 3, 2020 your company opened a 'Drive-in-Restaurant' at the food court of your park. The restaurant abides to all the SOP's of the restaurant industry in addition to all social distancing norms, offering delicious food items. The visitors will have access only to the food court premises as the amusement park and its rides continue to be off limits.

Your company is trying to promote the 'Drive-in-Restaurant'; through online promotions.

d. **Human Resources:** Several initiatives were rolled out to engage officers and managers during the lockdown. Training programs specifically related to our industry were effectively conducted during the lockdown period. Continuous communication on the latest updates played a key role in enabling our employees to stay on top of the evolving situation. Your Directors hold high regard of the personal sacrifices made by employees at all levels accepting temporary reduction in remuneration during these unprecedented times.

e. **Health & Hygiene:** Your company is keenly observing recommendations and guidelines on 'health & hygiene' and is also continuously brainstorming amongst its employees with regard to adopting best practices in respect of health and safety of our visitors. The Standard Operating Procedures are being updated in sync with the guidelines of World Health Organization (WHO), International Association of Amusement Parks & Attractions (IAAPA), Indian Association of Amusement Parks & Industries (IAAPI) & Health Department of the State Government, so that we are ready to kick-start our rides & facilities, whenever we are allowed to commence commercial operations.

f. **Rationalisation of Costs:** Your Company has taken measures for rationalisation and reduction of fixed and variable cost and is also maintaining the Park and related facilities for resumption of business activities at a short notice after the lifting of restrictions. Your Company as a precautionary measure in order to combat with the ill effects of COVID-19 pandemic has taken immediate steps to control cash flows during the year and maintain liquidity during the period. These include deferral of capital expenditure and renovations, unless absolutely required and reduction in corporate overheads accordingly. However, any expense required to be incurred for safety of park and its rides has been made available. Your Company had adopted all these conservative approaches in order to sustain in the long-run.

g. **Outlook:** Your company expects that the demand for its services to pick up at a slow pace once lockdown is lifted and recovery in business to be driven by removal of restricted movements / travel of the children, youth and family in large number to crowded places. There is a looming uncertainty as to how long, whether one year or more, before normalcy will be restored.

Your Directors envisage that, in this 'NEW NORMAL' scenario amusement parks will adopt new measures to facilitate social distancing and avoiding dense crowds. Initially, parks will have to operate at reduced capacity (25-40%) with an increased focus on health, safety and sanitation. Amusement park business being driven by footfalls, your Directors anticipate substantial losses in the immediate & near future.

Acknowledgement

Your Directors are thankful to the members and investors for their confidence and continued support. Your Board would like to thank the Management of the company and also thank the nominated Directors on the Board and the major Shareholders for their complete support

in smooth operations of your Company. Your Board is very grateful to the Independent Directors for their valuable contributions. All of them despite other business exigencies have shared their rich experience and knowledge with the management to take your Company forward. The Directors would like to express their gratitude for the support from all its customers, suppliers, bankers and vendors.

Your Directors acknowledge with gratitude the co-operation and assistance received from State Government departments and other agencies during the period under review, viz., Department of Tourism, Government of West Bengal, West Bengal Industrial Development Corporation Limited, West Bengal Tourism Development Corporation Limited, HDFC Bank, AXIS Bank, Allahabad Bank, State Bank of India, Bandhan Bank, Tourism Finance Corporation of India Limited (TFCI) and Bidhan Nagar Municipality.

Your Directors place on record their appreciation of the contribution made by employees at all levels. Our resilience to meet challenges was made possible by their hard work, solidarity, co-operation and support.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Industry Structure and Development

Amusement Park is a generic term for a collection of rides and other entertainment attractions, assembled for the purpose of entertaining a large group of people. An amusement park stands out from a simple city park as it is more elaborate and provides attractions meant to cater to adults, teenagers and kids. Unlike other forms of live entertainment, amusement parks offer an avenue to have an immersive day-long experience.

Amusement parks play a vital role in the global entertainment and leisure industry. North America dominated the global amusement parks market share, accounts for more than 40%, followed by APAC and Europe. Major amusement parks globally generate a huge amount of revenue with an average of millions of consumers coming in and celebrating the uniqueness of the place. Amusement Parks market size is set to grow at a CAGR of 6.2% during 2020-2025, projected to reach \$72.44 billion by 2025.

Amusement parks in India attract over 3 crore visitors annually, and contribute nearly 40% of the total leisure industry turnover which are the key drivers of growth among the services sector in India. About 30-35% visitors are from outstation and thus a major source of tourism. Children and youth visit the park either in school groups or with families and constitute 50% of park visitors, while adults constitute the remaining as they either visit with their families or in corporate groups. Theme and amusement parks score over other entertainment avenues by offering fun activities for the entire family, thrill and excitement and engagement activities for kids.

Some of the key challenges faced by the sector are: having a high level of domestic traffic versus a disproportionately low footfall; not appealing to foreign tourists enough; a limited product range, the lack of innovation and incentive to upgrade in parks; and the lack of new age marketing and positioning tools to expand the visitor base.

Globally, major amusement parks shut its operations consequent to the outbreak of COVID-19 bringing the industry to a grinding halt to aid social distancing and prevent the spread of the virus. Facing pandemic is an unprecedented humanitarian challenge for countries across the world. It is inflicting increasingly high human & industrial loss worldwide. India also took proactive measures & implemented a nationwide lockdown to arrest the spread of COVID-19 virus even before a spike in positive cases.

B. Opportunities and Threats

Opportunity

- Eastern India has experienced growth in leisure and entertainment business in recent years.
- Gradual shift of center of gravity of the city to Salt Lake due to development of large townships, Govt. offices and Information Technology industry in and around this place.
- Opportunity for expansion through consultancy, contracts, supply of rides and through Joint Venture in other parts of India and abroad.
- Export potential for Company's international standard quality products at competitive prices.
- The Company's products and high quality services receive wide acceptance in India and abroad due to International Standards Organisation (ISO) certifications obtained by the Company.
- "Brand equity" of the Company is perceivably high.
- With the passage of time entertainment is becoming a way of life

Threats

- Development of similar large parks in the city eg. Eco Park.
- Increase in operational cost due to change in Statutory Govt. policies including rates, taxes, etc.

- Park business is seasonal.
- The in-house engineering team executes all internal & external projects. Dependency of external project business performance is on order availability, which may be highly cyclic.
- Alternative indoor entertainment options like Multiplexes, Malls etc.
- Long-term impact of the COVID-19 pandemic & similar health hazards in future.

C. Segment-wise Performance

a. Park Operation

Nicco Park was set up in 1991, till date around 35 million guests have visited this theme amusement park. Your company is proud to associate itself with the ‘City of Joy’ and boasts of being the pioneers in the amusement park industry in India. Nicco Park is the first company to be listed in the amusement park industry. Nicco Park is an integrated theme cum amusement park.

Nicco Park’s educative & wholesome recreational initiative is the concept that families should not only have a fun-filled experience but also have learned something during their time at the park. We enjoy patronage from large number of visitors from Kolkata and the neighboring rural areas bordering Kolkata. The popularity of the park lies not only from our unstinted services provided by our untiring staff, but also in the understanding and satisfying different consumer needs at different price points.

Financial Year 2019-20 has been a challenging year for your company. Due to intense competition from low cost & subsidized amusement facilities in the city there was a sizeable drop in footfall which resulted in lower margins. On March 22, 2020, as COVID-19 spread rapidly, a complete lockdown was declared. The adverse reports carried by media relating to the pandemic followed by the health scare negatively impacted the visitor footfalls & consequently February & March, 2020 was extremely lean month in terms of footfalls.

The overall annual footfall of the Park including Bowler’s Den, Nicco Super Bowl and Other Recreation Facilities was 11.77 lakhs in F.Y. 2019-2020 compared to 13.20 lakhs in 2018-19. The footfall at the water park decreased to 3.91 Lakhs from 4.28 lakh visitors.

During the year under review the Total Income is Rs. 5622 lakhs (Previous Year-Rs.5766 lakhs). Cumulative income from Main Park and Water Park taken together is Rs. 4437 lakhs (Previous Year-Rs.4427 lakhs), Income from Projects –Rs.89 lakhs (Previous Year-Rs.77 lakhs), and Income from Food & Beverages and Other Recreational facilities- Rs.995 lakh (Previous Year-Rs.1105 lakhs). Other unallocable income- Rs. 141 lakhs (Previous Year-Rs.157 lakhs).

The Standalone Profit for the year (after tax) was Rs.690 lakhs in comparison to Rs. 815 lakhs in the previous year mainly attributed to the drop in the footfall of visitors in the Main Park as well as the Water Park. The Consolidated profit (after tax) for the year was Rs.746 lakhs.

During the year under review your company added novelties in form of new rides and attractions. The new ‘Shoot the Bhoot’- Laser Thrill Ride was commissioned on December 19, 2019 for the visitors in a gala event at ‘Nicco Parks’.

IMPACT OF COVID-19 & MEASURES GOING FORWARD

We have, unfortunately, lost business for the entire first quarter of the year 2020-21, which means losing the largest share of the profit generated by our park when compared to same quarter last financial year. We are already in the middle of the second quarter and with the rising numbers in COVID cases, the chances of re-opening of the park seem to be uncertain. Your Directors expect that the demand for company’s services to pick up at a slow pace once lockdown is lifted and recovery in business to be driven by removal of restricted movements / travel of the children, youth and family in large number to crowded places. This process may take a year or more to normalize.

Your company is adopting all possible measures under their control to save costs by implementing several measures. The conservative policy on preserving funds for growth and expansion has come to the rescue of the company in these unprecedented times.

In this situation it is essential to de - stress the population by active outdoor / indoor activities and holistic recreation. Amusement Parks play a pivotal role as it is spread across large areas of open land surrounded with lots of plantations and landscaping emphasizing on recreation. It is designed having safer distance between the rides and attractions which will serve as a blessing post Covid-19 in maintaining social distancing.

We have already drawn up an SOP as follows, wherein we have incorporated the guidelines issued by WHO, IAAPA, IAAPI & health ministry of Central and State Government, which are being updated on continuous basis.

- Controlled pre-booked admissions / proper use of ticketing system to ensure social distancing
- Screenings & temperature check of all visitors to the park including its employees at entry
- Sanitization & disinfection of rides/facilities repeatedly through a properly guided process.
- Social distancing on ride seating.
- Controlled F&B activities as per FSSI norms
- Keeping visitors in open areas and not to allow entry in confined spaces.

b. Consultancy, Contract and Sale of Ride Components

Having gathered immense experience in maintaining and running amusement parks, the Company has diversified into extending overall consultancy for setting up theme parks and water parks in addition to engineering, manufacturing and supply of amusement park's rides. Company also undertakes turnkey contracts for setting up composite amusement park and Water Park from concept to commissioning. Nicco Park being "One Stop Shop" for setting up parks has good potential for such business in future. Nicco Park has till date set up 10 amusement park and 5 water park facilities in India & abroad including two composite (amusement + water) parks in Bangladesh. Enquiries of proposals for setting up the complete park on turnkey basis are also received from time to time.

During the year under review 'Income from Projects' was Rs.89 lakhs.

In view of the nationwide lockdown imposed due to the COVID-19 pandemic your company is unable to execute the on-going project, consequently impacting margins significantly.

c. Others

During the year under review the interiors of Nicco Super Bowl were restructured, Bowler's Den, Bar-cum-Restaurant was also refurbished during this year. Acknowledged as a family dining center, its locational advantage, atmosphere, ambience and multi cuisines have made it very popular to the locals of Salt Lake area and to the workforce from Information Technology, BPO, Call Centre and Electronics Industry located in the close proximity.

Incomes from other recreational facilities have increased substantially over the last few years. During the year under review the Income from Food & Beverages and Other Recreational facilities- Rs.995 lakh.

Consequent to WHO's declaration of the COVID-19 outbreak as a pandemic, the Government of India undertook a series of measures to contain the outbreak, which included imposing multiple lockdowns across the country as a result of which all our restaurant's and the food courts were closed w.e.f 22nd March, 2020 leading to steady loss in this segment of revenue of the Company.

As an immediate response to restrictions imposed by the Government, and due to partial relaxation of the lockdown restrictions, your Company formulated a comprehensive SOP (Standard Operating Procedure) covering all areas of operations and service design, factoring in social distancing, digital-first approach and heightened precautionary processes for guests and employees and consequently on July 3, 2020 opened a 'Drive-in-Restaurant' at the food court of your park. The restaurant abides to the newly formulated SOP as mentioned above and the eatery offers scrumptious food items. The visitors will have access only to the food court premises as the amusement park and its rides continue to be off limits.

Your company is trying to promote the 'Drive-in-Restaurant'; through online platforms.

D. Outlook

Global economic growth is projected to contract sharply in the Financial Year 2020-2021. Rolling lockdowns and social distancing restrictions on account of the pandemic are expected to significantly impact economic activity in all major markets especially in Hospitality, Tourism & Amusement park sector leading to a severe demand & supply asymmetry. In the immediate aftermath, organizations are expected to downscale various expansion projects, defer planned initiatives, cut costs and conserve cash. We envisage that, in this 'NEW NORMAL' scenario amusement parks will adopt new measures to facilitate social distancing and avoiding dense crowds. Initially, parks will have to operate at reduced capacity (25-40%) with an increased focus on health, safety and sanitation. Amusement park business being driven by footfalls, your Directors anticipate substantial losses in the near future.

Risks and Concerns

"Visitors' safety" being of utmost concern, your Company continuously ensures high quality maintenance of all its rides and attractions. Apart from conducting daily inspection and ensuring the operational safety of the rides by in-house engineering team, periodic third

party inspections are also conducted by renowned firms like Westlake Engineering Limited, UK; TUV India Pvt. Ltd & SGS India Pvt. Ltd. Consequent to phasing of lockdown restrictions, we have mobilized our employees from the engineering department to periodically visit the park and carry out preventive maintenance and safety checks on our rides and facilities.

Amusement parks are all about ‘family bonding’ - ironically, marred by the norms of ‘social distancing’ mandated by the COVID-19 pandemic. It has now been almost five months that we have not been able to open our gates for our visitors and we have already lost our main season which is followed by a long off-season.

We have made sizeable investments, possess big infrastructure and provide large employment both directly and through ancillary and other related industries like hospitality, food & beverage, transport industry and more. With no revenues due to suspension of operations, Nicco Park is fast running out of working capital.

However, as the situation is uncertain, dynamic and constantly evolving, the Company intends to reassess its risk position periodically.

E. Internal Control Systems and their Adequacy

Your Company has adequate internal procedures commensurate with the Company’s size and nature of business. The objective of these procedures are to ensure efficient use and protection of the Company’s resources, accuracy in financial reporting and due compliance of statutes and Company procedures.

The existing system provides for structured work instructions, clearly laid down procedures of authorizations and approvals for purchase and sale of goods and services, reserved responsibility of custodial control with identified personnel, and use of computerized systems to ensure controls at source. Internal Audit is done by an external agency. Post audit checks and reviews are carried out to ensure follow up on the observations made by the audit teams. The Internal Audit reports, the progress in implementation of recommendations contained in such reports and the adequacy of internal control systems are reviewed by the Audit Committee of the Board in its periodical meetings.

F. Financial & Operational Performance

Your Company has adopted Indian Accounting Standard (referred to as ‘Ind-AS’), with effect from 1st April, 2017 for periods upto and including the year ended 31st March, 2020.

There are no material departures in adoption of the prescribed accounting standards. The estimates and judgments relating to the financial statements have been made on a reasonable basis, so that the financial statements reflect the form and substance of transactions in a true and fair manner, and reasonably represent the Company’s state of affairs and profit for the year.

Your company is in the business of leisure and entertainment and is providing interactive, participative and educative form of entertainment with its amusement park in Kolkata for wholesome recreation for the families. Set up in 1991, almost 35 million guests visited this theme amusement park during the last 29 years.

During the year under review the Total Income was Rs. 5622 lakhs (Previous Year-Rs.5766 lakhs). Cumulative income from Main Park and Water Park taken together was Rs. 4437 lakhs (Previous Year-Rs.4427 lakhs).

Considering the need to conserve cash resources due to unprecedented situation of COVID – 19, no Final Dividend was declared for FY 2019-20.

Your Company has taken measures for rationalisation and reduction of fixed and variable cost and is also maintaining the Park and related facilities for resumption of business activities at a short notice after the lifting of restrictions. Your Company as a precautionary measure in order to combat with the ill effects of COVID-19 pandemic has taken immediate steps to control cash flows during the year and maintain liquidity during the period. These include deferral of capital expenditure and renovations, unless absolutely required and reduction in corporate overheads accordingly. However, any expense required to be incurred for safety of park and its rides has been made available.

Your Company had adopted all these conservative approaches in order to sustain in the long-run.

H. Human Resources Management

Ours is a continuous quest to offer the finest guest experience and we are constantly reinventing ourselves in a sector that is on the move. People power is one of the pillars of our success.

Your Company firmly believes that its greatest strength lies in the quality of its manpower. The Company’s “people philosophy” has given it a competitive edge as its guests are served by bright, enthusiastic and committed employees who anticipate guest’s needs and deliver exceptional service with genuine warmth.

There is a conscious effort on the part of the management to develop the Knowledge, Skills and Attitudes of its people through a variety of training interventions specifically aimed at an individual's need with a specific thrust on enhancing functional / domain knowledge across disciplines.

Several initiatives were rolled out to engage officers and managers during the lockdown. Training programs specifically related to our industry were effectively conducted during the lockdown period. Continuous communication on the latest updates played a key role in enabling our employees to stay on top of the evolving situation.

Employee – Management relations remained cordial through 2019-20. As on 31st March, 2020 number of people employed by the Company was 243. The IR situation continues to be peaceful.

vi. Share Transfer System

Shareholders holding shares in physical form are requested to correspond with the Company's Registrar and Transfer Agent ("RTA") – M/s R & D Infotech Pvt. Ltd. quoting their Folio No. / DP ID & Client ID at the following address: -

The process of physical transfer of shares had been discontinued by SEBI vide its Press Release No. 51/2018 dated 3rd December, 2018, hence the RTA has not effected any physical transfer of shares post 1st April, 2019. Shareholders holding shares in electronic form should address their correspondence, except those relating to dividend, to their respective Depository Participants ("DPs").

Compulsory Dematerialization of Securities

It is hereby brought to the notice of all shareholders of the Company that Securities & Exchange Board of India (SEBI) has vide its Press Release No. 51/2018 dated 3rd December, 2018, informed that except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository with effect from April 1, 2019. Therefore, all the Shareholders holding their securities in physical form must dematerialize their securities in order to execute any transfer of securities on or after 1st April, 2019.

Transfer of Unclaimed Dividend and Shares to the Investor Education and Protection Fund ('IEPF')

Pursuant to the provisions of the Companies Act, 2013 read with The Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, ('Rules'), the dividends, unclaimed for a consecutive period of seven years or more from the date of transfer to the Unpaid Dividend Account of the Company are liable to be transferred to IEPF. Further, the shares (excluding the disputed cases having specific orders of the Court, Tribunal or any Statutory Authority restraining such transfer) pertaining to which dividend remains unclaimed for a period of continuous seven years or more from the date of transfer of the dividend to the unpaid dividend account are also mandatorily required to be transferred to the IEPF established by the Central Government. Accordingly, the Company has transferred eligible Shares to IEPF Demat Account maintained by the IEPF authority.

Your Company has already transferred equity shares relating to Financial Years 2008-09, 2009-10, 2010-11 and 2011-12 to IEPF and letters intimating due date of proposed transfer of shares to IEPF have been sent to all the Shareholders whose shares are about to be transferred relating to F.Y.2012-13. Details of shares/shareholders in respect of which dividend has not been claimed, are provided on our website and enlisted under the heading IEPF at link <https://niccoparks.com/financials/#collapseFour>, the shareholders are therefore encouraged to verify their records and claim their dividends of all the earlier seven years, if not claimed.

The Company has sent individual communication to the concerned shareholders at their registered address, whose dividend remained unclaimed and whose shares were liable to be transferred to the IEPF by respective due dates for transfer of shares to IEPF. The communication was also published in national English and local Bengali newspapers. Any person whose unclaimed dividend and shares pertaining thereto, has been transferred to the IEPF Fund can claim their due amount from the IEPF Authority by making an electronic application in e-form IEPF-5. Upon submitting a duly completed form, Shareholders are required to take a print of the same and send physical copy duly signed alongwith requisite documents as specified in the form to the attention of the Nodal Officer, at the Registered Office of the Company. The e-form can be downloaded from the website of Ministry of Corporate Affairs www.iepf.gov.in. Mr. Rahul Mitra, President & Company Secretary is the designated nodal officer of the Company.

Opinion

We have audited the accompanying standalone financial statements of Nicco Parks & Resorts Limited ("the Company"), which comprise the balance sheet as at 31st March, 2020, the statement of Profit and Loss (including other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is drawn to Note 50 of the standalone financial statements dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the standalone financial statements as well as future performance of the company.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the key audit matters for incorporation in our report.

Information Other than the Financial Statements and Auditors’ Report thereon

- The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board’s Report including Annexures to Directors’ Report, Management Discussion and Analysis Report, Report on Corporate Governance and Shareholder’s Information, but does not include the Standalone financial statements, Consolidated financial statements and our auditors’ report thereon.
- Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

When we read the other information as stated above and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe necessary actions as per applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The comparative financial information of the Company for the corresponding year ended March 31, 2019 were audited by the predecessor auditor M/s Singhi & Co. who expressed unmodified opinion vide their report dated May 29, 2019 and reliance has been placed by us on the same for the purpose of this report.

- ii) The physical verification of inventories have been conducted at reasonable intervals by the management during the year. The year-end verification could not be carried out due to lock-down amidst COVID-19 pandemic. Verification of inventories other than saleable items have therefore been undertaken by the management on a subsequent date, which was attended by us. The inventories as on March 31, 2020 have been arrived at by rolling back the stock so physically verified on a subsequent date. The discrepancies noted on physical verification as compared to book records were not material.
- iii) The Company has not granted any loans secured or unsecured to companies, firms or parties covered in the register maintained under Section 189 of the Act. Accordingly, clause 3 (iii) of the Order is not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- v) The Company has not accepted any deposits from public covered under Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder.
- vi) In our opinion and according to the information and explanations given to us, the Government has not specified maintenance of cost records under section 148(1) of the Companies Act, 2013 in regard to the activities of the Company.
- vii) a. According to the information and explanations given to us, during the year, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Investor Education Protection fund, Employees' State Insurance, Income Tax, Custom Duty, Cess, Goods and Services Tax (GST) and other statutory dues as applicable to it. There were no undisputed statutory dues as above outstanding as at March 31, 2020 for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, the details of disputed dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax, if any which have not been deposited on account of dispute and the forum where the dispute is pending as at March 31, 2020 are as follows:

Name of the statute	Nature of dues	Amount Rs. in Lakhs	Year	Forum where dispute is pending
WBVAT Act 2003	Value Added Tax	2.42	2009-10	Appellate & Revisional Board, WBCT
WBVAT Act 2003	Value Added Tax	290.70	2010-11	Additional Commissioner
Income Tax Act, 1961	Income Tax	6.05	2016-17	Assistant Commissioner of Income Tax
Income Tax Act, 1961	Income Tax	0.69	2018-19	CPC Bangalore

- viii) In our opinion and on the basis of information and explanations given to us by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institution or bank during the year. The Company does not have any outstanding debentures and loans or borrowings from Government as at Balance Sheet date.
- ix) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year.

- x) During the course of our examination of books of account carried out in accordance with generally accepted auditing practices in India, we have neither come across incidence of any material fraud on or by the Company nor have we been informed of any such cases by the management.
- xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- xv) According to the information and explanations given to us and as represented to us by the management and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with its directors or persons connected with them. ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Nicco Parks & Resorts Limited of even date)

Report on the Internal Financial Controls with reference to standalone financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Nicco Parks & Resorts Limited (“the Company”) as of 31st March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

I. Corporate Information

Nicco Parks & Resorts Limited (“the Company”) is a listed entity incorporated in India in 1991 having its Registered Office at “Jheel Meel”, Sector V, Salt Lake City, Kolkata-700106. The Company is a leading and prominent wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme based entertainment including theme park, water park and associated activities including retail merchandising and food and beverages.

The standalone financial statements for the year ended March 31, 2020 has been approved by the Company’s Board of Director’s at their meeting held on July 30, 2020.

2. Basis of Accounting

I. Statement of Compliance and Recent Pronouncements

a. Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (referred to as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 (“the Act”).

Accounting Policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

b. Application of New and Revised Standards

i. Ind AS 116 “Leases”- Effective April 01, 2019, the Company has adopted Ind AS 116 “Leases” and applied the standard to its leasehold assets under modified retrospective approach with cumulative effect of initial recognition being given effect to on the date of application. Consequently, such assets have been recognised as “Right of Use” and have been depreciated over the term of lease. Further, finance cost in respect of lease liability has been measured and considered in these financial statements. Previously charge on account of this was recognised as lease rent in terms of the agreement. The said standard has further been modified on July 24, 2020 to provide for treatment on account of concession in rent consequent to COVID-19 pandemic which does not have any impact in the financial statements of the company. Impact on implementation of Ind AS 116 has however been disclosed in Note no. 42.5.

ii. Amendments/revision in other standards are either not applicable or do not have any material impact on the standalone financial statements.

c. Recent Pronouncements

On July 24, 2020, Ministry of Corporate Affairs (“MCA”) has issued Companies (Indian Accounting Standards) Amendment Rules, 2020 notifying amendment to existing Ind AS 1 ‘Presentation of Financial Statements’, Ind AS 8 ‘Accounting Policies, Changes in Estimates and Errors’, Ind AS 10 ‘Events after the Reporting Period’, Ind AS 34 ‘Interim Financial Reporting’, Ind AS 37 ‘Provisions, Contingent Liabilities and Contingent Assets’, Ind AS 103 ‘Business Combinations’, Ind AS 107 ‘Financial Instruments: Disclosures’, Ind AS 109 ‘Financial Instruments’. These amendments have been effective for the period beginning on or after April 01, 2020.

Ind AS 1 has been modified to redefine the term ‘Material’ and consequential amendments have been made in Ind AS 8, Ind AS 34 and Ind AS 37.

Ind AS 103 dealing with ‘Business Combination’ has defined the term ‘Business’ to determine whether a transaction or event is a business combination. Amendment to Ind AS 107 and 109 relate to exception relating to hedging relationship directly affected by Interest Rate Benchmark reforms.

Presently, the Company is evaluating the impact as these amendments are either not applicable or not likely to have any material impact on the Standalone Financial Statements of the Company.

II. Significant Accounting Policies

a. Basis of Preparation

The Standalone Financial Statements have been prepared under the historical cost convention on accrual basis except certain financial instruments that are measured in terms of relevant Ind AS at amortized costs or fair value at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The functional currency of the Company is determined as the currency of the primary economic environment in which it operates. The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to nearest two decimal lakhs except otherwise stated.

b. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (a) **Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date.
- (b) **Level 2:** Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- (c) **Level 3:** Unobservable inputs for the asset or liability

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

c. Property Plant and Equipment (PPE)

Property, plant and equipment held for use in the production of or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).

Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

Parts of an item of Property, Plant and Equipment having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of Property, Plant and Equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of day to day servicing of Property, Plant and Equipment are recognized in the Statement of Profit & Loss as and when incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly are also added to the cost of self-constructed assets. Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as Capital Advances under other non-current assets.

Depreciation

Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at the end of each reporting date, and adjusted prospectively, if appropriate.

d. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Amortization methods and useful lives are reviewed, and adjusted as appropriate, at each reporting date.

e. De-recognition of Tangible and Intangible assets

An item of Tangible and Intangible Asset is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Tangible and Intangible Asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

f. Leases

Company as a Lessee

The Company's lease asset classes primarily consist of land taken on lease for business operations. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU Assets") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Lease liability obligations is presented separately under the head "Other Financial Liabilities" whereas Right of Use Assets have been disclosed separately in the Balance Sheet.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

The right of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. They are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Company as a Lessor

Assets given on lease are either classified as operating lease or as finance lease. A lease is classified as finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially, asset held under finance lease is recognised in Balance Sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease. The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis.

g. Impairment of Tangible and Intangible Assets

Tangible, Intangible and ROU Assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost to disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation/amortisation, had no impairment loss been recognized for the asset in prior years.

h. Financial instruments - Financial assets and financial liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within 12 months or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

1) Cash and Cash Equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

2) Investments in Equity instruments

The Company has chosen to carry investment in associates at cost less impairment, if any in the standalone financial statements.

The Company has elected to present the fair value changes for investment in other equity instruments in Other Comprehensive Income.

3) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

4) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

5) For the purpose of para (3) and (4) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

6) Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

7) Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

8) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified to Retained Earnings.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

i. Inventories

Inventories other than Contract Work in Progress, are valued at lower of Cost of Net realisable Value and is computed on FIFO Basis.

The cost of inventories has been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

j. Foreign Currency Transactions

1) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("functional currency"). The financial statements are presented in Indian Rupees (Rs.) and all values are rounded off to nearest two decimal lakhs except otherwise stated, which is the functional currency of the Company.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

2) Foreign Currency Transactions and Balances

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss.

k. Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

l. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the Standalone financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are disclosed in the Standalone Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

m. Employee Benefits

Short term employee benefits: They are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which related service is rendered.

Defined Contribution Plan: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable to the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.

Defined Benefit Plan: The Company's obligation towards gratuity and superannuation, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated Absences: Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

n. Revenue Recognition

Revenue from Operations

The Company runs a Theme Amusement park and generates revenue mainly by way of sale of entry and ride tickets. The Company also earns revenue from sale of food & beverages, construction and supply of ride components and related consultancies and incidental income from Recreational facilities (Venue charges, etc) and License fees, Sponsorship & Branding.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognized when control over a product or service has been transferred and/or products/services are delivered/provided to the customers. Discounts and rebates allowed, if any, are deducted there from sales.

1. Sale of Services

- Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. Revenue from sale of passes/Fun Tickets-Annual Membership with all days validity which are non-refundable in nature are recognized when Passes/ Tickets are sold. Revenue in respect of sale of tickets for which validity period is beyond the reporting date is not recognized.

- Recreational Facility Income

Venue charges recovered are categorized as recreational facility income and revenue in this respect is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

2. Revenue from Sale of Products:

Sale of products comprises of sale of food and beverages, merchandise and supply of components for rides. Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of allowances, trade discounts and volume rebates (if any).

3. Revenue from Construction Contract

Revenue from construction contracts is recognized based on the stage of completion of the contract when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed.

4. Barter Transactions

The Company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter transaction by taking reference to a non-barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

Other Income

1. Dividend Income

Dividend income from investments are recognized when the Company's right to receive the payment of the same is established.

2. Interest Income

Interest income from financial assets is recognised using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income also includes interest earned on margin money kept with banks.

o. Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant and Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

p. Government Grants

Government Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received, and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

q. Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

r. Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

s. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

t. Segment Reporting

The identification of operating segment is consistent with performance assessment and resource allocation by the Chief Operating Decision Maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the Chief Operating Decision Maker to make decisions about resources to be allocated to the segments and assess their performance.

III. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the Standalone financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the Standalone financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the Standalone financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the Standalone financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation at the Balance Sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

a. Arrangements containing leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract

Notes on Standalone Financial Statements for the year ended 31st March, 2020

will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. Reference is invited to Note No. 3.2.2 in this respect dealing with estimation of tenure of lease. Any variation in this respect may lead to significant impact on the financial statements.

b. Depreciation / amortization of and impairment loss on property, plant and equipment / intangible assets.

Property, Plant and Equipment, ROU Assets and Intangible assets are depreciated/amortized on straight-line basis over the estimated useful lives (or lease term if shorter) in accordance with internal assessment/Schedule II of the Companies Act, 2013, taking into account the estimated useful life and residual value, wherever applicable. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization to be recorded during any reporting period. This reassessment may result in change in such expenses in future periods.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation asset's recoverable amount is estimated which is higher of asset's or cash generating units' (CGU) fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. The assumptions considered for future as given in Note No. 3(a) are vital to the financial performance and any variation thereof may have a significant impact on the financial statements. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted.

c. Impairment loss on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

d. Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic benefits.

e. Defined benefit obligation (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

f. Impairment of Financial Assets

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

g. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

h. Going Concern amidst uncertainty during COVID-19

The Company has assessed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, ability to service debt and other financing arrangements and has paused its capital expansion plan. The Company is in a comfortable

Notes on Standalone Financial Statements for the year ended 31st March, 2020

liquidity position to meet its commitments. The Company has also assessed the potential impact of COVID-19 on the carrying value of investments, trade receivables, inventories, and other current assets as on March 31, 2020. Such estimates do not indicate any shortfall in value of various current assets requiring any adjustment in its financial statements. Considering the resources available and the financial position and steps taken towards disaster management and to overcome the current situations, the going concern assumption over a period of one year is not expected to be vitiated. The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial statements and the Company will continue to closely monitor any material changes to future economic conditions and take necessary corrective measures.

3(a) Owing to the ongoing COVID-19 pandemic and the resultant lockdown of the Company's Park and other activities since March 22, 2020 and post Balance Sheet till date, the management has tested its Park and other activities for impairment as at March 31, 2020. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at March 31, 2020. The Company has undertaken the impairment with reference to the latest cash flow forecasts of next five years and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments.

3.2.1 “Leasehold Land” relates to land taken on lease and recognised as “Right of Use” in terms of Ind AS 116 on implementation with effect from April 01, 2019 (Refer Note No. 42).

3.2.2 The financial statements upto the year ended March 31, 2019 were prepared considering the lease term for the land as 33 years, which was based on lease deed. However, as per the Joint Sector Agreement (“JSA”) dated February 23, 1990 executed between NICCO Corporation, WBTDIC and WBIDC, land would be made available to the Company for a period of 33 years with renewal clause for two more terms. Therefore, pursuant to adoption of Ind AS 116, Right of Use Asset has been measured taking into effect the renewal clause for two more terms.

B. Fair Value Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:-

The fair value of cash and cash equivalents, current bank balance other than cash and cash equivalents, trade receivables and trade payables, current financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at cost/amortised cost in the financial statements approximate their fair values.

Investment in mutual funds are valued based on the Net Asset Value of those units at each reporting date. Investment in unquoted equity share is valued based on the historical net asset value as per the latest audited financial statements.

C. Fair Value Hierarchy

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at Balance Sheet date:

Levels	“Quoted prices in active markets (Level 1)”	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
As at March 31, 2020			
Investment in Unquoted Equity Shares (other than investment in associates)	-	-	474.37
Investment in Mutual Funds	-	1,139.18	-
As at March 31, 2019	-		
Investment in Unquoted Equity Shares (other than investment in associates)	-	-	400.44
Investment in Mutual Funds	-	1,007.97	-

During the year ended March 31, 2020 and March 31, 2019, there were no transfers between Level 1, Level 2 and Level 3.

The inputs used in fair valuation measurement are as follows:

- Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the incremental borrowing rate of the Company.
- Financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. In respect of unquoted equity share, the inputs used was the audited balance sheet for the year then available.

49. Financial risk management objectives and policies

The Company's activities expose it to the following risks:

- Credit risk
 - Liquidity risk
 - Market risk
- Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments and other financial instruments. Outstanding customer receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivables disclosed in Note No. 9

Notes on Standalone Financial Statements for the year ended 31st March, 2020

b) Liquidity risk

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

c) Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk i.e., interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, trade receivables and trade payables.

- i) Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.
- ii) Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Notes on Standalone Financial Statements for the year ended 31st March, 2020

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

50. On March 11, 2020, the World Health Organization declared COVID-19 outbreak as a pandemic. Responding to threat, Government of India has taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the country, from March 22, 2020. The lockdowns and restrictions imposed on various activities due to COVID-19 pandemics have posed challenges to the activities of the Company. Lockdown guidelines issued by Central/State Governments mandated closure of amusement parks. This has resulted in shutdown of operations of the Company and post Balance Sheet upto the date of approval of financial statements by the Board of Directors. Consequent to nationwide lockdown, the normal operations are still affected. The Company expects the demand for its services to pick up albeit at a slower pace once lockdown is lifted and recovery in business to be driven by removal of restricted movements/travel of the kids, youth and family in large number to crowded places. The Company has considered internal and external information while finalising various estimates and taking assumptions in relation to its standalone financial statements upto the date of approval of the standalone financial statements by the Board of Directors and no material impact on the financial results inter-alia including the carrying value of various current and non-current assets are expected to arise. The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystalizes.

The Company has adequate liquidity and has taken measures for rationalisation and reduction of fixed cost and maintaining the Park and related facilities for resumption of business activities at the short notice after shutdown is lifted. The Company has met all the obligations in terms of dividend payment to shareholders, statutory payments to Governments and outstanding payments to creditors. Considering the resources available and the financial position and steps taken towards disaster management and to overcome the current situations, the going concern assumption over a period of one year is not expected to be vitiated.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Nicco Parks & Resorts Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Nicco Parks & Resorts Limited ("the Company") and share of profit / loss of associates, which comprise the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us based on the consideration of reports of other auditors on separate financial statements, and on the other financial information of the associates, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 (" the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs (financial position) of the Company including it's associates, as at 31st March, 2020, and their consolidated profit (financial performance including other comprehensive income), their consolidated cash flows and the consolidated changes in equity for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and it's associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is drawn to Note 51 of the consolidated financial statements dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the financial statements as well as future performance of the company.

Our opinion is not modified in respect of the above matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the key audit matters for incorporation in our report. - Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

When we read the other information as stated above and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe necessary actions as per applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the state of affairs (consolidated financial position), Profit or Loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Company including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company including its Associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Company including its associates are responsible for assessing the Company's ability including its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the financial reporting process of the Company including its associates.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, We are also responsible for expressing our opinion on whether the Company including its associates has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability including its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company including its associates to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities with the Company including its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

a. We did not audit the financial statements of the two associate companies, Nicco Engineering Services Limited and Nicco Parks Leisure Projects Private Limited included in the consolidated financial statements for the year ended March 31, 2020 which includes the Company's share of net profit after tax of Rs. 55.94 Lakhs and Loss of Rs. 0.02 Lakhs, other comprehensive income / loss of Rs. (16.50) Lakhs and Rs NIL, total comprehensive income / loss of Rs. 39.44 Lakhs and Rs. (0.02) Lakhs. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associates, and our report in terms of sub-section (3) and sub section (11) of Section 143 of the Act, in so far as it relates to the aforesaid associates, is based solely on the report of other auditors. We have also not audited the financials of one associate, Nicco Jubilee Park Limited, whose share of profit has not been considered for the reasons stated in Note 4(c) of the consolidated financial statements.

b. The other auditors of the aforesaid associates have not reported the following matters in their auditor's report:

- i) Key Audit Matters
- ii) Information other than the Financial Statements and Auditors' Report thereon

In the absence of the same, we are unable to incorporate these matters for the associates and accordingly these matters are reports for the Company only.

c. The comparative financial information of the Company for the corresponding year ended March 31, 2019 were audited by the predecessor auditor M/s Singhi & Co. who expressed unmodified opinion vide their report dated May 29, 2019 and reliance has been placed by us on the same for the purpose of this report.

Our opinion is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

I. As required by sub-section 3 of section 143 of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and on the other financial information of associates, as noted in "Other Matters" paragraph above, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditors;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;

- e) On the basis of the written representations received from the directors of the Company as on 31st March, 2020 taken on record by the Board of Directors of the Company and the report of other statutory auditors of its associate companies, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial reporting and the operating effectiveness of such controls, refer to our Report in “Annexure A” which is based on the audited report of the Company audited by us and two associates audited by other auditors. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to financial statements of the Company and its associates incorporated in India; and
2. With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company and its associates has disclosed the impact of pending litigations on its financial position in its consolidated financial statements – Refer Note 39.1 to the consolidated financial statements;
- ii. The Company and its associates did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its associates.
3. With respect to the reporting under section 197(16) of the Act to be included in the Auditors’ Report, In our opinion and according to the information and explanations given to us, the remuneration (including sitting fees) paid / payable by the Company and its associates to its Directors during the current year is in accordance with the provisions of section 197 of the Act and is not in excess of the limit laid down therein.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Nicco Parks & Resorts Limited of even date)

Report on the Internal Financial Controls with reference to financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company and its associates as of and for the year ended 31st March, 2020, we have audited the internal financial controls with reference to financial reporting of Nicco Parks & Resorts Limited (hereinafter referred to as “the Company”) and its associate companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial reporting.

Meaning of Internal Financial Controls with reference to Financial Reporting

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections

of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, its associates, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to two associates, which are companies incorporated in India, is based on the corresponding standalone reports of the auditors', as applicable, of such companies incorporated in India.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

I. Corporate Information

The consolidated financial statements comprise financial statements of Nicco Parks & Resorts Limited (“the Company” or “the Parent”) and its two associates namely, Nicco Engineering Services Limited and Nicco Parks Leisure Projects Private Limited.

Nicco Parks & Resorts Limited is a listed entity incorporated in India in 1991 having its Registered Office at “Jheel Meel”, Sector V, Salt Lake City, Kolkata-700106. The Company is a leading and prominent wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme based entertainment including theme park, water park and associated activities including retail merchandising and food and beverages.

The consolidated financial statements for the year ended March 31, 2020 has been approved by the Company’s Board of Director’s at their meeting held on July 30, 2020.

2. Basis of Accounting

I. Statement of Compliance and Recent Pronouncements

a. Statement of Compliance

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (referred to as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 (“the Act”).

Accounting Policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

b. Application of New and Revised Standards

i. **Ind AS 116 “Leases”**- Effective April 01, 2019, the Company has adopted Ind AS 116 “Leases” and applied the standard to its leasehold assets under modified retrospective approach with cumulative effect of initial recognition being given effect to on the date of application. Consequently, such assets have been recognised as “Right of Use” and have been depreciated over the term of lease. Further, finance cost in respect of lease liability has been measured and considered in these financial statements. Previously charge on account of this was recognised as lease rent in terms of the agreement. The said standard has further been modified on July 24, 2020 to provide for treatment on account of concession in rent consequent to COVID-19 pandemic which does not have any impact in the financial statements of the company. Impact on implementation of Ind AS 116 has however been disclosed in Note no. 42.5.

ii. Amendments/revision in other standards are either not applicable or do not have any material impact on the consolidated financial statements.

c. Recent Pronouncements

On July 24, 2020, Ministry of Corporate Affairs (“MCA”) has issued Companies (Indian Accounting Standards) Amendment Rules, 2020 notifying amendment to existing Ind AS 1 ‘Presentation of Financial Statements’, Ind AS 8 ‘Accounting Policies, Changes in Estimates and Errors’, Ind AS 10 ‘Events after the Reporting Period’, Ind AS 34 ‘Interim Financial Reporting’, Ind AS 37 ‘Provisions, Contingent Liabilities and Contingent Assets’, Ind AS 103 ‘Business Combinations’, Ind AS 107 ‘Financial Instruments: Disclosures’, Ind AS 109 ‘Financial Instruments’. These amendments have been effective for the period beginning on or after April 01, 2020.

Ind AS 1 has been modified to redefine the term ‘Material’ and consequential amendments have been made in Ind AS 8, Ind AS 34 and Ind AS 37.

Ind AS 103 dealing with ‘Business Combination’ has defined the term ‘Business’ to determine whether a transaction or event is a business combination. Amendment to Ind AS 107 and 109 relate to exception relating to hedging relationship directly affected by Interest Rate Benchmark reforms.

Presently, the Company is evaluating the impact as these amendments are either not applicable or not likely to have any material impact on the Consolidated Financial Statements of the Company.

II. Significant Accounting Policies

a. Basis of Preparation

The Consolidated Financial Statements have been prepared under the historical cost convention on accrual basis except certain financial instruments that are measured in terms of relevant Ind AS at amortized costs or fair value at the end of each reporting period.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The functional currency of the Company is determined as the currency of the primary economic environment in which it operates. The Consolidated Financial Statements are presented in Indian Rupees and all values are rounded off to nearest two decimal lakhs except otherwise stated.

b. Basis of consolidation

The Consolidated Financial Statements have been prepared in accordance with principles laid down in Ind AS 110 on "Consolidated Financial Statements" and Ind AS 28 on "Investments in Associates and Joint Ventures".

The Company's investment in Associates are accounted for using the equity method. Under the equity method, the investment in associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Company's share of net assets of associate since acquisition date. If the Company's share of net fair value of investee's identifiable asset and liabilities exceeds the cost of investment, any excess is recognised directly in Equity as capital reserve in the period in which investment is acquired. Goodwill, if any, relating to the associate is included in the carrying amount of investment and is not tested for impairment.

The Consolidated Statement of Profit and Loss reflects the Company's share of the results of operations of the associates. Any change in Other Comprehensive Income of investee is presented as part of the Company's Other Comprehensive Income. In addition, when there has been a change recognised directly in the equity of the associates, the Company recognises its share of any changes, when applicable, in the Consolidated Statement of Changes in Equity. Unrealised gains and losses resulting from transactions between the Company and the associates are eliminated to the extent of the interest in the associates.

If the Company's share of losses of associates equals or exceeds its interest in the associates (which includes any long term interest that, in substance, form part of the Company's net investment in the associate), the Company discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associates. If the associate subsequently reports profits, the Company resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company's share of profit or loss of associates is shown on the face of the Consolidated Statement of Profit and Loss.

The consolidated financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date, i.e., year ended on 31st March.

When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate. At each balance sheet date, the Company determines whether there is objective evidence that the investment in the associates is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as 'Share of profit/loss of associates' in the Consolidated Statement of Profit and Loss.

c. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (a) **Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date.
- (b) **Level 2:** Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.
- (c) **Level 3:** Unobservable inputs for the asset or liability

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

d. Property Plant and Equipment (PPE)

Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).

Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

Parts of an item of Property, Plant and Equipment having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of Property, Plant and Equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The cost of day to day servicing of Property, Plant and Equipment are recognized in the Statement of Profit & Loss as and when incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly are also added to the cost of self-constructed assets. Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as Capital Advances under other non-current assets.

Depreciation

Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at the end of each reporting date, and adjusted prospectively, if appropriate.

e. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

Amortization methods and useful lives are reviewed, and adjusted as appropriate, at each reporting date.

f. De-recognition of Tangible and Intangible assets

An item of Tangible and Intangible Asset is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of Tangible and Intangible Asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

g. Leases

Company as a Lessee

The Company's lease asset classes primarily consist of land taken on lease for business operations. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU Assets") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Lease liability obligations is presented separately under the head "Other Financial Liabilities" where as Right of Use Assets have been disclosed separately in the Balance Sheet.

The right of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. They are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

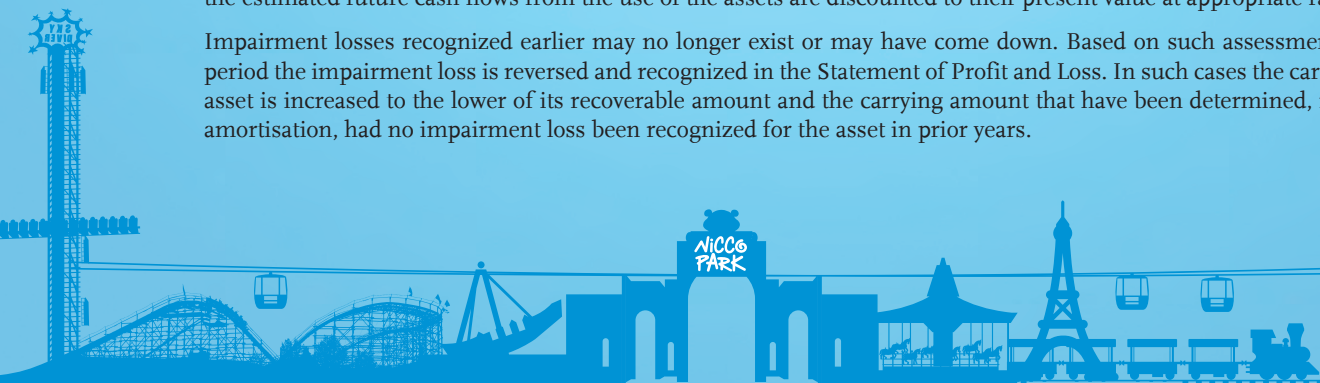

Company as a Lessor

Assets given on lease are either classified as operating lease or as finance lease. A lease is classified as finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially, asset held under finance lease is recognised in Balance Sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease. The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis.

h. Impairment of Tangible and Intangible Assets

Tangible, Intangible and ROU Assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost to disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation/ amortisation, had no impairment loss been recognized for the asset in prior years.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

i. Financial instruments - Financial assets and financial liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within 12 months or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

1) Cash and Cash Equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

2) Investments in Equity instruments

The Company has elected to present the fair value changes for investment in equity instruments (other than investment in associates) in Other Comprehensive Income.

3) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

4) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

5) For the purpose of para (3) and (4) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

6) Financial Assets or Liabilities at Fair value through profit or loss (FVTPL)

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

7) Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

8) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified to Retained Earnings.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

j. Inventories

Inventories other than Contract Work in Progress, are valued at lower of Cost of Net realisable Value and is computed on FIFO Basis.

The cost of inventories has been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

k. Foreign Currency Transactions

1) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("functional currency"). The financial statements are presented in Indian Rupees (Rs.) and all values are rounded off to nearest two decimal lakhs except otherwise stated, which is the functional currency of the Company.

2) Foreign Currency Transactions and Balances

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss.

l. Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

m. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

Contingent liabilities are not recognized and are disclosed by way of notes to the Consolidated financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are disclosed in the Consolidated Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

n. Employee Benefits

Short term employee benefits: They are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which related service is rendered.

Defined Contribution Plan: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.

Defined Benefit Plan: The Company's obligation towards gratuity and superannuation, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Compensated Absences: Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

o. Revenue Recognition

Revenue from Operations

The Company runs a Theme Amusement park and generates revenue mainly by way of sale of entry and ride tickets. The Company also earns revenue from sale of food & beverages, construction and supply of ride components and related consultancies and incidental income from Recreational facilities (Venue charges, etc) and License fees, Sponsorship & Branding.

Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognized when control over a product or service has been transferred and/or products/services are delivered/provided to the customers. Discounts and rebates allowed, if any, are deducted there from sales.

1. Sale of Services

- Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. Revenue from sale of passes/Fun Tickets-Annual Membership with all days validity which are non-refundable in nature are recognized when Passes/ Tickets are sold. Revenue in respect of sale of tickets for which validity period is beyond the reporting date is not recognized.

- Recreational Facility Income

Venue charges recovered are categorized as recreational facility income and revenue in this respect is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

2. Revenue from Sale of Products:

Sale of products comprises of sale of food and beverages, merchandise and supply of components for rides. Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of allowances, trade discounts and volume rebates (if any).

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

3. Revenue from Construction Contract

Revenue from construction contracts is recognized based on the stage of completion of the contract when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed.

4. Barter Transactions

The Company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter transaction by taking reference to a non-barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

Other Income

1. Dividend Income

Dividend income from investments are recognized when the Company's right to receive the payment of the same is established.

2. Interest Income

Interest income from financial assets is recognised using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income also includes interest earned on margin money kept with banks.

p. Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant and Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

q. Government Grants

Government Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received, and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

r. Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

s. Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

t. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

u. Segment Reporting

The identification of operating segment is consistent with performance assessment and resource allocation by the Chief Operating Decision Maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the Chief Operating Decision Maker to make decisions about resources to be allocated to the segments and assess their performance.

III. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the Consolidated financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the consolidated financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation at the Balance Sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

a. Arrangements containing leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. Reference is invited to Note No. 3.2.2 in this respect dealing with estimation of tenure of lease. Any variation in this respect may lead to significant impact on the financial statements.

b. Depreciation / amortization of and impairment loss on property, plant and equipment / intangible assets.

Property, Plant and Equipment, ROU Assets and Intangible assets are depreciated/amortized on straight-line basis over the estimated useful lives (or lease term if shorter) in accordance with internal assessment/Schedule II of the Companies Act, 2013, taking into account the estimated useful life and residual value, wherever applicable. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization to be recorded during any reporting period. This reassessment may result in change in such expenses in future periods.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation asset's recoverable amount is estimated which is higher of asset's or cash generating units' (CGU) fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. The assumptions considered for future as given in Note No. 3(a) are vital to the financial performance and any variation thereof may have a significant impact on the financial statements. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted.

c. Impairment loss on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

d. Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic benefits.

e. Defined benefit obligation (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

f. Impairment of Financial Assets

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

g. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

h. Going Concern amidst uncertainty during COVID-19

The Company has assessed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, ability to service debt and other financing arrangements and has paused its capital expansion plan. The Company is in a comfortable liquidity position to meet its commitments. The Company has also assessed the potential impact of COVID-19 on the carrying value of investments, trade receivables, inventories, and other current assets as on March 31, 2020. Such estimates do not indicate any shortfall in value of various current assets requiring any adjustment in its financial statements. Considering the resources available and the financial position and steps taken towards disaster management and to overcome the current situations, the going concern assumption over a period of one year is not expected to be vitiated. The impact of the global health pandemic may be different from that estimated as at the date of approval of these consolidated financial statements and the Company will continue to closely monitor any material changes to future economic conditions and take necessary corrective measures.

3(a) Owing to the ongoing COVID-19 pandemic and the resultant lockdown of the Company's Park and other activities since March 22, 2020 and post Balance Sheet till date, the management has tested its Park and other activities for impairment as at March 31, 2020. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at March 31, 2020. The Company has undertaken the impairment with reference to the latest cash flow forecasts of next five years and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments.

- 3.2.1 "Leasehold Land" relates to land taken on lease and recognised as "Right of Use" in terms of Ind AS 116 on implementation with effect from April 01, 2019 (Refer Note No. 42).
- 3.2.2 The financial statements upto the year ended March 31, 2019 were prepared considering the lease term for the land as 33 years, which was based on lease deed. However, as per the Joint Sector Agreement ("JSA") dated February 23, 1990 executed between NICCO Corporation, WBTDIC and WBIDC, land would be made available to the Company for a period of 33 years with renewal clause for two more terms. Therefore, pursuant to adoption of Ind AS 116, Right of Use Asset has been measured taking into effect the renewal clause for two more terms.

B. Fair Value Techniques

“The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:-”

The fair value of cash and cash equivalents, current bank balance other than cash and cash equivalents, trade receivables and trade payables, current financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at cost/amortised cost in the financial statements approximate their fair values.

Investment in mutual funds are valued based on the Net Asset Value of those units at each reporting date. Investment in unquoted equity share is valued based on the historical net asset value as per the latest audited financial statements.

B. Fair Value Hierarchy

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at Balance Sheet date:

Levels	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
As at March 31, 2020			
Investment in Unquoted Equity Shares (other than investment in associates)	-	-	474.37
Investment in Mutual Funds	-	1,139.18	-
As at 31st March, 2019			
Investment in Unquoted Equity Shares (other than investment in associates)	-	-	400.44
Investment in Mutual Funds	-	1,007.97	-

During the year ended March 31, 2020 and March 31, 2019, there were no transfers between Level 1, Level 2 and Level 3.

The inputs used in fair valuation measurement are as follows:

- Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the incremental borrowing rate of the Company.
- Financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. In respect of unquoted equity share, the inputs used was the audited balance sheet for the year then available.

50. Financial risk management objectives and policies

The Company’s activities expose it to the following risks:

- Credit risk
- Liquidity risk
- Market risk

a) Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments and other financial instruments. Outstanding customer receivables are regularly monitored and the maximum exposure to credit risk at reporting date is the carrying value of trade receivables disclosed in Note No. 9

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

b) Liquidity risk

The Company determines its liquidity requirement in the short, medium and long term. Its objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

- c) Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk i.e., interest rate risk and foreign currency risk. Financial instruments affected by market risk include borrowings, trade receivables and trade payables.
- Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant foreign currency exposure and hence, is not exposed to any significant foreign currency risk.
 - Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The Company is exposed to risk due to interest rate fluctuation on long term borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

Notes on Consolidated Financial Statements for the year ended 31st March, 2020

51. On March 11, 2020, the World Health Organization declared COVID-19 outbreak as a pandemic. Responding to threat, Government of India has taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the country, from March 22, 2020. The lockdowns and restrictions imposed on various activities due to COVID-19 pandemics have posed challenges to the activities of the Company. Lockdown guidelines issued by Central/State Governments mandated closure of amusement parks. This has resulted in shutdown of operations of the Company and post Balance Sheet upto the date of approval of financial statements by the Board of Directors. Consequent to nationwide lockdown, the normal operations are still affected. The Company expects the demand for its services to pick up albeit at a slower pace once lockdown is lifted and recovery in business to be driven by removal of restricted movements/travel of the kids, youth and family in large number to crowded places. The Company has considered internal and external information while finalising various estimates and taking assumptions in relation to its consolidated financial statements upto the date of approval of the consolidated financial statements by the Board of Directors and no material impact on the financial results inter-alia including the carrying value of various current and non-current assets are expected to arise. The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystalizes.

The Company has adequate liquidity and has taken measures for rationalisation and reduction of fixed cost and maintaining the Park and related facilities for resumption of business activities at the short notice after shutdown is lifted. The Company has met all the obligations in terms of dividend payment to shareholders, statutory payments to Governments and outstanding payments to creditors. Considering the resources available and the financial position and steps taken towards disaster management and to overcome the current situations, the going concern assumption over a period of one year is not expected to be vitiated.

52. The previous year's figures have been regrouped and rearranged wherever necessary to make them comparable with those of current year's figures.
53. These consolidated financial statements have been approved by Board of Directors of the Company in their meeting dated July 30, 2020 for issue to the shareholders for their adoption.
