Independent Auditors' Review Report**The Board of Directors
Nicco Parks & Resorts Limited**

1. We have reviewed the accompanying statement of standalone unaudited financial results of Nicco Parks & Resorts Limited ("the Company") for the quarter and six months ended September 30, 2021 ("the Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS - 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, we report that, nothing has come to our attention that causes us to believe that the accompanying Statement of the Results read with notes thereon, prepared in accordance with aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015(as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. Attention is drawn to Note No. 3 of the standalone financial results dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the financial statements as well as future performance of the company. Our opinion is not modified in respect of this matter.

Notes:

- The above standalone statement of unaudited financial results for the quarter and half year ended 30th September, 2021 along with notes thereupon including the unaudited standalone statement of assets and liabilities and unaudited standalone statement of cash flow as given in Note No. 1 and 2 respectively, were reviewed by the Audit Committee and thereafter approved by the Board of Directors and were taken on records at their meetings held on 12th November, 2021. The Statutory Auditors have carried out a limited review on the above financial results.
- (i) The park operation, F & B and others recreational facilities are subject to seasonal variation.
(ii) Consultancy, contracts and sale of components for rides is also subject to variation depending upon the number of contracts.
- Due to the outbreak of the covid-19 pandemic and the resultant lock-downs declared by the Central Government, the operations of the amusement park and other businesses of the company have severely been affected and resulting in significant losses during the period. The Company has commenced its park operations at fifty percent capacity with effect from 18th August, 2021 by ensuring adherence to SOPs, safety controls and Government guidelines given in this respect. Even though company's operations have commenced, the demand for its services are expected to be picked up albeit at a slower pace due to restrictions in movements / travel of the kids, youth and family in large number to crowded places. The Company has taken into account the impact of the pandemic in the preparation of these financials including but not limited to the recoverability of the property, plant & equipment, receivables, and other current & non-current assets based on the assessment carried out taking into account the internal and external sources of information up to the date of the approval of the financial statement and no further adjustment in the carrying amount of assets and liabilities are envisaged. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystalizes.
- Owing to the ongoing COVID-19 pandemic and the resultant lockdown of the Company's Park and other activities since March 22, 2020 and till date October 14, 2020, the management has tested its Park and other activities for impairment as at March 31, 2021. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at March 31, 2021. The Company has undertaken the impairment with reference to the latest cash flow forecasts and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments.
- Company's investments in Equity Shares of Nandan Park Limited, Bangladesh have been continued to be valued at Rs. 414.00 lakh based on latest available financial statement for the year ended 30th June 2020. The same will be updated and consequential will be given effect to on availability of current year's financial statements in subsequent period.
- The Schedule III to the Companies Act, 2013 vide notification dated 24th March, 2021 issued by Ministry of Corporate Affairs (MCA) has been amended with effect from 1st April, 2021 and these results have been presented giving effect to the said amendments. Accordingly, comparative figures of the previous year/periods have been regrouped wherever applicable to make them comparable with those of the current period's figures.

Independent Auditors' Review Report**The Board of Directors****Nicco Parks & Resorts Limited**

1. We have reviewed the accompanying statement of consolidated unaudited financial results of **Nicco Parks & Resorts Limited** ("the Company") and its share of net profit after tax, other comprehensive loss (net) and total comprehensive income of its associate companies for the quarter and six months ended September 30, 2021 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations 2015"), which has been initialed by us for identification purposes.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS - 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

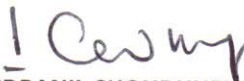

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations 2015, to the extent applicable.
4. The Statement includes the results of the following entities (Associate Company):
 - a. Nicco Engineering Services Limited
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, we report that, nothing has come to our attention that causes us to believe that the accompanying Statement of the Results read with notes thereon, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. Attention is drawn to Note No. 3 of the consolidated financial results dealing with the management's evaluation of impact of COVID-19 and uncertainty thereof on the assumptions and estimates concerning the financial statements as well as future performance of the company.

7. 2	(i) The park operation, F & B and others recreational facilities are subject to seasonal variation. (ii) Consultancy, contracts and sale of components for rides is also subject to variation depending upon the number of contracts.					
3	Due to the outbreak of the covid-19 pandemic and the resultant lock-downs declared by the Central Government, the operations of the amusement park and other businesses of the company have severely been affected and resulting in significant losses during the period. The Company has commenced its park operations at fifty percent capacity with effect from 18th August, 2021 by ensuring adherence to SOPs, safety controls and Government guidelines given in this respect. Even though company's operations have commenced, the demand for its services are expected to be picked up albeit at a slower pace due to restrictions in movements / travel of the kids, youth and family in large number to crowded places. The Company has taken into account the impact of the pandemic in the preparation of these financials including but not limited to the recoverability of the property, plant & equipment, receivables, and other current & non-current assets based on the assessment carried out taking into account the internal and external sources of information up to the date of the approval of the financial statement and no further adjustment in the carrying amount of assets and liabilities are envisaged. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystallizes.					
4	Owing to the ongoing COVID-19 pandemic and the resultant lockdown of the Company's Park and other activities since March 22, 2020 and till date October 14, 2020, the management has tested its Park and other activities for impairment as at March 31, 2021. Each of the activities has been considered as a separate Cash Generating Unit ("CGU"). The recoverable value, which was determined by Value-In-Use Method was higher as compared to the carrying value of each of the activities and accordingly, no impairment was recorded as at March 31, 2021. The Company has undertaken the impairment with reference to the latest cash flow forecasts and applying a growth rate beyond approved forecast period. The growth rates used in the value in use calculation reflect those inherent within the Company's budgets, which is primarily a function of the Company's cycle plan assumptions, past performance, and management expectations of future developments.					
5	Company's investments in Equity Shares of Nandan Park Limited, Bangladesh have been continued to be valued at Rs. 414.00 lakh based on latest available financial statement for the year ended 30th June 2020. The same will be updated and consequential will be given effect to on availability of current year's financial statements in subsequent period.					
6	The carrying amount of Investments in Nicco Jubilee Park Limited (NJPL), an associate is Nil, as the entire value of such investment was provided for on account of diminution in its value as a result of its negative balance in Net Worth as on 30th September 2021. In view of the above, its share of Loss has not been recognized for the purpose of this Audited Consolidated Financial Results for the Quarter and Half Year ended as on 30th September 2021.					
7	The Schedule III to the Companies Act, 2013 vide notification dated 24th March, 2021 issued by Ministry of Corporate Affairs (MCA) has been amended with effect from 1st April, 2021 and these results have been presented giving effect to the said amendments.
